Von Felicity Heaton : Eternal Love: Vampire Romance Boxed Set (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Eternal Love: Vampire Romance Boxed Set (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Ok...Von Kindle-Kunde...but I wouldn't by it again. In my opinion if an outhter writes about vampiers she should stick with her facts. For example in book one vampiers kill human and the blood of one human last for several vampiers. Book two vampiers drink blood from canisters and if a human is bitten he not just survives the biet but experiences

pleasure. In book three I can't even remember and in book four one kill for one vampire. Furthermore book one was too long, book two good but the first out of six, book three ok but short and book four left me wondering.
