Historical Romance with an interesting time-travel twist  
Von Tane  
The relationship development between Johnny Logan and Angel Newland from 1999 to 1890 should be at the top of your list to read because it is so unusual to find time-travel in a historical romance novel! "Eternal Outlaw" comes across as a romance novel all the way (not a science fiction as one might suspect) due to the beautiful writing of Georgina Gentry! This book was too exciting to put down and the relationship between Johnny and Angel is unparalleled. Don't miss this one!
