The continuing saga of the Madaris brothersVon Ein KundeBrenda Jackson has written the latest in the stories of the Madaris brothers of Texas. "Tonight and Forever" covered the life and love of the oldest brother, Justin. "Whispered Promises" was about Dexter Madaris. "Eternally Yours" is the story of attorney Clayton Madaris, the youngest son and

a womanizer of epic proportions, who keeps a case of condoms in his closet. Clayton believes "the only men who aren't fools are bachelors." He's seen the challenges that love has brought to his older brothers and he doesn't want to go there. Syneda Walters is also a successful attorney. She and Clayton have disagreed through two novels so you know they've got to get together eventually. While you know what the outcome is, Brenda Jackson has crafted her book to include enough plot twists to keep readers interested. There is something for everyone in this book. For those who have read Ms. Jackson's earlier books and her novella, "Cupid's Bow," it's fun to see what some of your favorite characters are up to now. For those who have NOT read Ms. Jackson before, the book is a strong stand-alone that doesn't require reading the first two books to understand what's going on. However, it will intrigue some readers enough to want to buy the other books. Ms. Jackson also includes enough spin-off characters for readers to anticipate whose story will be written next. "Eternally Yours" was well worth the wait. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Von Ein Kunde I absolutely loved this book, I could not put it down until the very end. In my opinion 'The Queen'- Ms. Jackson brings out true love like no one else. I felt as if I knew Syneda and that sexy, self-assured Clayton. The way she so vividly depicted their competitive friendship and turned it into an eternal flaming love was pure literary genius, and on top of it all I felt like I knew these two personally. I'm preparing to read "One Special Moment", I can't see how it will possible compare to this, but I'll let you know.
