Von Rhys Bowen : Evan Help Us: A Mystery (Constable Evans Mysteries) before purchasing it in order to gage whether or not it would be worth my time, and all praised Evan Help Us: A Mystery (Constable Evans Mysteries):

Kundenrezensionen Hilfreichste Kundenrezensionen 4 von 4 Kunden fanden die folgende Rezension hilfreich. A talent on the rise Von Ein Kunde When he becomes constable of the small Welsh village of Llanfair, Evan thought he had a quiet, tranquil job. However, recently there has been an alleged archeological find in the nearby hills that has brought outsiders to the area and kindled the feud between the villagers of Llanfair and the nearby hamlet of Beddgelert. Evan soon finds himself embroiled in a deadly who-done-it when annual visitor Colonel Arbuthnot, the discover of the so-

called Camelot artifact, is killed. Ted Morgan, a native son with development plans, is also murdered. Convinced that the two deaths are linked, Evan finds a tenuous connection that takes him to the perilous streets of London in order to ferret out the identity of a killer. EVAN HELP US, the second novel in the elegant Evans English cozy, is a fabulous entry in a warm series. The eccentric support cast brings alive life in small town Wales and the mystery is fun to follow. However, this book really takes off when Evans finds himself as a total misfit in the big city, even though he continues his search. This novel and Rhys Bowen's first entry (EVANS ABOVE) are must reading for sub-genre fans because these are witty, charming stories. Harriet Klausner 0 von 0 Kunden fanden die folgende Rezension hilfreich. Warm and Enjoyable Von Ein Kunde Warm humor; enjoyable. Comforting read

Kurzbeschreibung From the author of In Farleigh Field...Evan Evans is settling into his role as Constable of Llanfair, a small town nestled in the mountains of North Wales. Here, he has been a mediator of the minor disputes of the locals, between competing ministers, country merchants, and seemingly every Welch eccentric throughout the region. But an unusual series of events brings unseen hostilities to light, and Evan realizes just how deep the townsfolk's passions and hostilities lie. While the village of Llanfair has always been at odds with the neighboring town of Beddgelert, an intriguing archeological find in the nearby hills brings that rivalry to dangerous extremes, and creates a circus of local enthusiasm and gossip. The circus quickly turns deadly, however, when Llanfair's prodigal son, Ted Morgan, announces plans to erect an amusement park over the site's excavation. Soon Constable Evans is drawn into a whirl of cultural pride, deception, and greed, and while he's at it uncovers the town's undaunted ambition - to earn the right to the longest name in the world. With the warmth, charm, and wry sense of humor that won readers' hearts in Evans Above, Rhys Bowen offers a delightful new installment to an already cherished mystery series: Evan Help Us.
