Von Belva Plain : Evergreen: Werner Family Saga, Book 1 (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Evergreen: Werner Family Saga, Book 1 (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. evergreenVon Wendy ChiHave you ever wanted to know about immigrants' lives in other countries? Then you should read Belva Plain's book Evergreen. It will help you to find out about those immigrants and their generations' lives in

foreign lands. The book is about a girl named Anna Friedman, who immigrated to America only when she sixteen years old. Anna's parents died in her own country Poland. She had brothers who moved to Vienna. She longed to come to United States and have a good life there. She married to a man named Joseph Friedman and had a boy. Besides, she had relationship with another man Paul Werner. Evergreen has become American classic novel tells unforgettable family and an amazing woman. Readers should not miss to read this great novel. One reason I was interested in this book was because the situation of the main character is similar to my situation. I'm an immigrant too. At the beginning, I also was confused about whether I should come to America or not. I wanted to come here because I knew my life would be better than I stayed in my own country. However, I miss my relatives very much. I liked Anna Friedman, this main character. She was very strong woman, who always kept her hopes up no matter what happened. She never gave up her hopes. Anna was a great wife and modern mother too. She never required her husband for anything; instead, she insisted he do anything he wanted to do and considered him all the time. She knew how to touch her children well. They never had the chance to do wrong things and she always wanted them to be successful. People should read this book. As far as we know, Anna was a wonderful woman. Although, she was dishonest to her family when she had relationship with another man Paul Werner. After that, she got pregnant and the baby was girl. She didn't tell Joseph and her son the baby was Werner's. The reason was she did it by accident because Joseph asked her to go to Werner's house and borrow some money to buy a new house. Anna didn't like his idea because Werner still like her even though she was married now and also she didn't like to ask someone for help, but she didn't want Joseph to feel disappointed. So the accident happened that day when Anna came to Werner's house and Paul forced her to have sex with him. This is an epic novel and exposes the heart of an extraordinary woman, so I think people should read this book.0 von 0 Kunden fanden die folgende Rezension hilfreich. Captivating! Von Ein Kunde Reading about Anna, Joseph, and Paul will keep you spellbound. I first read this book in high school in the 80's and have re-read it so many times the cover is barely there! The author's descriptions of events and places make you feel you are there with the characters. You can feel what they are going through, especially Anna with the turmoil that she goes through regarding Joseph and Paul. The way their struggle to make it in the world is portrayed is realistic and moving. All through the book you see what Joseph and Anna are working toward, but you also share in their personal struggles within themselves.0 von 0 Kunden fanden die folgende Rezension hilfreich. my review Von Ana Maria Barrenechea I had great fun reading this book. I love the way the author takes you on a journey through time by following the comings and goings, the joys and happiness of a family. Very well written, the characters are well presented as well as the places. You become familiar with all the characters, the emotions they are feeling, and whatever happens to their lives, as if they were part of your own family. It makes you want to rush to the store and find the sequels, which I have done!

Kurzbeschreibung A magnificent story of courage and ambition. Born into poverty and fear, Anna Friedman is desperate to leave her native Poland. Determined to make something of herself, Anna takes a journey that will change her life forever. Crossing the ocean, she moves to into a cramped New York slum and finds a job in a sweatshop. When two very different men fall in love with her, Anna is torn in love and loyalty. Pressestimmen "A magnificent story...this beautifully written book will be treasured and reread for many years to come." -- Library Journal. "A grand, sweeping panorama...richly written, finely detailed...vivid and memorable." -- Daily News. Kurzbeschreibung A magnificent story of courage and ambition.
