Everlastin' by Mickee MaddenVon Ein KundeThe Hologram cover on the soft cover is the readers first impression there's a ghost involved. What's between the covers will make you smile, gasp, giggle and blush. A wonderful love story, written in a unique style. Mickee Madden knows how to spin a tale and keep her reader coming back for more.The recent owners of Baird Mansion in Scotland, invite their friend Beth Staples of America to come for a

holiday. A ghostly presence has haunted the mansion since 1843. His death was tragic when his bride murdered him and his friend buried him alive in the walls of the tower. Beth Staples agrees to come for a much needed vacation. After some strange things happen, she becomes suspicious that things aren't normal at Baird House. When she decides to leave, she finds she can't..... We also meet the family the Ghost hates. His widow and best friend's offspring. One is Roan Ingliss, who seems to be a little different from all the other lazy, thieving Inglisses. A young lady Laura Bennett and her 3 nephews arrive in a harrowing way and add even more chaos to the house. A story filled with: Love; family feuding; danger; life; death; time travel and of course a ghost. Mickee Madden added a glossary for the Scottish dialog. 0 von 0 Kunden fanden die folgende Rezension hilfreich. This book is absolutely the BEST romance novel out there! Von Julie H. The hero of this story is by far the most romantic male ever conceived. Lachlan, the ghost who "lives" in his beautiful Scottish mansion, has an incredible accent. Mickee Madden did a fantastic job capturing the sounds of a Scottish burr on the pages of this book. Lachlan is a hopeless romantic, but he is quite funny at times also. He is the ideal lover (except for that whole death thing) to almost anyone looking for a romance novel to dive into. While not necessarily a story grounded in reality, it does leave the reader with warm feelings; the love this ghost feels for the protagonist is almost tangible. I have read several romance novels, and this one is by far my favorite. I never tire of this story, even though I have read it numerous times. I highly recommend this novel to anyone who loves a good love story. 0 von 0 Kunden fanden die folgende Rezension hilfreich. LACHLAN, YOU CAN HAUNT MY HOUSE ANY DAY! Von Ein Kunde Mickee Madden is a wonderful writer of love with a twist. I read all kinds of romance books and a lot of them leave me bored/same old thing... NOT SO WITH EVERLASTIN' I actually loved the Scottish brogue. The eye for detail made the book more real, even though it was a fantasy. Isn't the entire idea of reading a romance with ghosts, vampires, time travel etc., is somewhere deep inside we're looking for a love that's out of the ordinary. That's why it's called a FANTASY. I've read *Dust Before Dawn*, *Love Everlastin'* and couldn't wait for *Hope Everlastin'* to go on sale. MS. Madden I await your next book that I won't be able to put down. Thank you!

Kurzbeschreibung In 1843, Lachlan Baird brings his bride to the mansion he'd built just for her and their future children. But the honeymoon is cut short when Lachlan is murdered. He's been haunting Baird House ever since, determined to protect his "treasures" and hoping to find a woman willing to spend eternity with him. In 1993, Beth Staples is ready to live her own life after caring for her ill mother for eight years. She accepts an invitation to visit a friend residing at Baird House, but instead of a delightful vacation with Carlene, she finds herself in the care of an irresistible, seductive and sometimes annoying Scotsman--with a secret. At Baird House, anything is possible... **Kurzbeschreibung** In 1843, Lachlan Baird brings his bride to the mansion he'd built just for her and their future children. But the honeymoon is cut short when Lachlan is murdered. He's been haunting Baird House ever since, determined to protect his "treasures" and hoping to find a woman willing to spend eternity with him. In 1993, Beth Staples is ready to live her own life after caring for her ill mother for eight years. She accepts an invitation to visit a friend residing at Baird House, but instead of a delightful vacation with Carlene, she finds herself in the care of an irresistible, seductive and sometimes annoying Scotsman--with a secret. At Baird House, anything is possible... **Synopsis** Some 150 years after a Scottish man is murdered during his honeymoon, Beth Staples vacations in the fated mansion, where she meets the seductive Lachlan Baird--and learns that he is a ghost.
