Von Amanda Ashley : Everlasting Kiss before purchasing it in order to gage whether or not it would be worth my time, and all praised Everlasting Kiss:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Simple vampire love storyVon Helen Hancox'Everlasting Kiss' was a pleasant enough story - a love story crammed into the

crowded vampire genre. Written in a surprisingly simple style and without much depth, it is nevertheless a reasonable read. When vampire Erik Delacourt meets mortal Daisy O'Donnell he finds himself drawn to her. Unfortunately Daisy is from a family of vampire hunters and has staked one of Erik's friends. When he finds himself protecting her, he may well be putting himself into danger with the Master of the East Coast vampires. But somehow Daisy is able to bring both vampires and hunters together to deal with a threat to both of them. There were some problems with this book, such as the central romance (why did each fall for the other so hard?) and I found it hard to believe that vampires and hunters could work together so quickly. But this was necessary for the plot and the story was interesting enough to carry me along. There's nothing special in this book - this story has been told many times before - but it is OK for light holiday reading. Originally published for Curled Up With A Good Book Helen Hancox 2010

Kurzbeschreibung Desire Never Dies Daisy O'Donnell doesn't get the attraction some women feel for vampires. She likes her men with a heartbeat. And she's just met one who's full of life: Erik Delacourt, the unreasonably sexy man she keeps meeting at a popular L.A. nightclub called the Crypt. She barely knows him, but there's no resisting the connection she feels. . . There's one important detail Erik hasn't gotten around to telling her yet. He's a powerful vampire out to hunt the Blood Thief who is draining young vampires all over the city--and who has just raised the stakes by destroying one of Erik's friends. To Erik, Daisy is a bright spot of innocence in a world of darkness and menace. He'll do anything--even lie to her--to keep her safe and pure. If only he knew that Daisy has something of her own to hide. . .
