to delight young and old with enough challenge to warm your heart. Von Andrea Schmitz A delightful look at true love. A story of triumph. A classic boy meets girl - seems straight forward but looks can be deceiving. Well done! Can't wait for the next one!

Kurzbeschreibung\* A sweet, clean, historical mail order bride romance! \*The terms of her father's will leave Everly with no choice but to marry before her 21st birthday in order to ensure the security of her family. Will she be able to get over her anger towards men in enough time to find someone to marry? Answering an ad for a mail order bride, she finds Ben - a man who needs a woman to help him raise his two nieces left in his care. Can they find love while dealing with both a vindictive stepmother who wants to stop her from marrying, and a meddling woman who is determined to take the children from Ben? They will both have to learn to trust, even as the past threatens to ruin everything. MESSAGE FROM KAY P. DAWSON: I want to thank you for taking the time to read my book - Everly is my first stab at fiction writing in the mail order bride romance genre, and I hope you love it as much as I enjoyed writing it. The book is a clean, sweet romance between Everly and Ben. I hope it gives you a few hours of happy reading :) Kay Kurzbeschreibung\* A sweet, clean, historical mail order bride romance! \*The terms of her father's will leave Everly with no choice but to marry before her 21st birthday in order to ensure the security of her family.
