**Von Lori Wick : Every Storm (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Every Storm (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. This is truely Lori Wick at her best!Von happysmiler37Lorri and Josie Archer have a wonderful job as school teachers in Australia in the early 1940s. Everything is perfect, except the fact that they miss their family in southern California

dearly. However, a plane crash that claims Josie's life changes all of this forever. Lorri is stuck on an island all alone for six weeks, until an American PT boat finds her, by accident, and rescues her. Never would she dream that she would captain of that ship again later in life, and he would become a very important part of her life. One of my favorite parts of this book is that two love stories are told. Not only Lorri and Rigg's, but also Lorri's little sister Max and Johnny King's. This is a powerful story about trusting God no matter what difficulties He allows in your life.

Kurzbeschreibung New from Lori Wick, this standalone story shows how unexpected changes can set the perfect course for love. 1945, WWII When Lieutenant Donovan Riggs experiences trouble with his PT boat, the sailors of Every Storm make an unscheduled stop and a surprising discovery. Lorraine Archer is an American teacher living and working in Australia. While on a flight with her sister, her daydreams are disrupted by the sounds of the plane going down. Lorri ends up alone on a deserted island in the Pacific. And just when she loses all hope of being found, Donovan and his crew arrive. Neither Donovan nor Lorri suspect that their encounter is the beginning of something very certain: a future not left to chance, but to faith.

ber den Autor und weitere Mitwirkende Lori Wick is a multifaceted author of Christian fiction. As comfortable writing period stories as she is penning contemporary works, Lori's books (more than 6 million in print) vary widely in location and time period. Lori's faithful fans consistently put her series and standalone works on the bestseller lists. Lori and her husband, Bob, live with their swiftly growing family in the Midwest.
