Von Samantha James : Every Wish Fulfilled (Avon Historical Romance) before purchasing it in order to gage whether or not it would be worth my time, and all praised Every Wish Fulfilled (Avon Historical Romance):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Could have been betterVon Ein KundeEvery Wish Fulfilled is the second book I've read by Samantha James, One Moonlit

Night being the first. While *One Moonlit Night* was wonderful, I didn't care too much for *Every Wish Fulfilled*. This book took me a long time to read and my interest was lost many times throughout. After his brother's murder, Damien vows revenge. He finds out that the murderer's daughter is living as the ward of the Earl of Stonehurst and leaves London to take a job as the manager of the estate. There he meets Heather, the daughter of the murderer, and the two fall in love. Throughout the relationship Damien, who is also an earl, never reveals who he really is. After an argument Damien leaves back for London. Eventually Heather meets up with him again and finds out he's an earl and the two fall back into love, not to mention trying to find Heather's father, the murderer. There isn't much I can say about this book. It wasn't bad, but it wasn't good either.

0 von 0 Kunden fanden die folgende Rezension hilfreich. very disappointing
Von Ein Kunde I am quite surprised that 's romance editor recommended this book. The writing level is very juvenile, for example, emotion is conveyed by using exclamation marks and lots of emotional adjectives. The characters are stock and just about one-dimensional, either totally virginal and saintly (the heroine) or cruelly inhuman and murderous (the villain). The hero is another tortured one with a dark secret, which has been much better done in other books. Finally, the plot is just about formula, for example the major conflict running through the bulk of the book is very shallow--"I can't let myself love him or her, but my temperature boils whenever I am near him or her, oh what shall I do!" I might have liked this book a lot when I was 13, but adults want more than titillating sex scenes held together by melodrama.

0 von 0 Kunden fanden die folgende Rezension hilfreich. This book was outstanding, well written and emotional
Von Ein Kunde While it seems Heather has been raised in the lap of luxury, all is not what it seems--she has that very same feeling when Damian hires on at her estate. At times she has the feeling he's there for another reason, and indeed he is--to search out his brother's murder, a task that has taken him straight to Heather. Damien comes to realize Heather couldn't harm a soul--both get much more than they bargained for when they start falling in love. Yet neither can trust each other completely until the truth of the story is revealed. I found this book totally engrossing, and poignant. The scene where Damian asks Heather to dance had me bawling out loud. Don't miss this treat.

Kurzbeschreibung Heather Duval, the Earl of Stonehurst's orphaned ward, has always known she will never marry. But she is content running the earl's grand country manor -- until Damien Tremayne hires on as estate manager. Then Heather suddenly fears her world may never be the same. Intense and fiercely passionate, Damien arouses feelings long denied -- with only one kiss! Questions about his brother's murder have led Damien to this place ... and to Heather. And though desire and destiny seem to bind them, he must battle his dangerous attraction to this beauty. There are shattering secrets to be faced and lies to be untangled. Yet what if the truth destroys her trust in him ... and imperils them both? .de

Samantha James always manages to tug at the reader's heartstrings and this book is no exception. Have a hanky or two handy as you read this emotionally charged story. Heather Duval became the ward of the Earl of Stonehurst at age 4 after her parents were killed in a carriage accident. Now a grown woman of 21, Heather is the proud owner of Lockhaven Park. Heather pours all her energy into making certain that the manor flourishes. She believes that her advanced age and maimed leg destine her for spinsterhood. Then Damien Tremayne enters her life and turns her peaceful world upside down. But Damien's identity is deceptive. He is out to discover old secrets and solve a murder; in so doing he uncovers a past Heather only thought of as a bad dream..com
