I LOVED IT!!!Von Bianca @BJsBBI LOVED IT!!I had NO idea what to expect when I started reading.And I was positively surprised.The story had everything I need in my sexy romances.SEXY MOMENTSWell - they're not those kinds of sexy moments. At the beginning it's only very erotic

phone sex. Then we have cute, moving, sad, suspensy and mysterious moments! Just perfect. It was so different to other romances. Dylan and Annie don't meet for almost the whole book (well, not really, but I won't tell you how long it takes for them to meet face to face). They just talk on the phone - have phone sex!!! Oy! Very sexy - I wish this was an audio book, spoken by a guy with a reallllly sexy Dylan-voice! And next to all that sexy talking we constantly think about what happened to our two darlings, and what will happen and why this and why that and who and where and when and grrrrrr - I just want them to finally meet and get their HEA!!!! But I guess we'll have to wait a bit for our HEA ... I don't think Annie's ex will let her be happy on her own and whatever happened in Dylan's past will probably come calling too... I can't wait to find out how this story will end!!!! EVERYTHING I LEFT UNSAID was an extremely erotic and moving exciting mysterious romance. About secrets, about the past the future, about fear and hope, about family, new friends .... and new beginnings!!! Now please hurry November ..... I NEEEEED to know how Annie Dylan's story will end! PS - yup - Cliffhanger - but book #2 will be out soon!!!! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Innocent, intriguing, suspenseful, heart wrenching and off the charts scorching! Von Jean Smith Ever had those moments on a call with a stranger that just rocked you to the core? Well, reading Everything I Left Unsaid brought me back to a few of those moments. Everything about this stranger becomes safe and compelling especially those desires we keep hidden in the dark recesses of our mind. After all, what could be safer than to indulge when there is no one there to see or to really know no one but you and your stranger? Annie is about to find out just how liberating a call from a stranger on an abandoned cell phone can be. On the run from her past, Annie has plenty of secrets to keep. But who is this man who keeps her intrigued and on pins and needles needing to hear his next demand? Life has definitely become interesting in this backwoods trailer park Annie has run to. In all her innocence she never dreamed shed be claiming her cousin Laylas identity and taking on her carefree sexually adventurous persona. Nor did she expect shed be playing spy on her neighbor for the mysterious voice on the phone. All she knows about the voice is that it belongs to a man named Dylan and his voice does things to her that have never happened before. Dylan is a hardcore race car engineer thats made it big big enough to own his own side of the mountain. Hes got a past and hes a bit incredulous at times that Layla doesnt know who he is or that she can be quite as innocent and almost virginal as she sounds. She intrigues him. She also keeps him up thinking about the next time shell call. But if she should ever find out who he is or about his past then they are done. At least thats what he tells himself... Oh, the lies we tell ourselves. This is one man that is hooked, reel, line, and sinker he is so done for. Getting to know Annie and her brand of innocence was a real treat. Sometimes its hard to recall those days when you yourself were ever so innocent. At the same time, you see an underpinning of vulnerability with a healthy dose of strength to turn things around. Everything I Left Unsaid deals with some hard-hitting abuse issues and the way some victims deal with it. Ms. OKeefe was spot on in her presentation of the issue. At the same time, this was definitely a coming of age story even if a bit later in life than one would expect. Hence that overwhelming sense of innocence you get from Annie. That sense of innocence juxtaposed against the very carnal calls these two have definitely hit the scorch meter. Everything I Left Unsaid definitely left me wanting more. It ended on an HFN with a bit of a cliffhanger when Annies past comes calling. This is one cliffhanger that will certainly see me picking up the next in the series, The Truth About Him. Kurzbeschreibung Fans of Jodi Ellen Malpas, K. Bromberg, and Joanna Wylde will be unable to resist this sexy, deeply intimate tale of a woman running from her past, and the darkly mysterious man who sets her free. I didnt think answering someone elses cellphone would change my life. But the stranger with the low, deep voice on the other end of the line tempted me, awakened my body, set me on fire. He was looking for someone else. Instead he found me. And I found a hot, secret world where I felt alive for the first time. His name was Dylan, and, strangely, he made me feel safe. Desired. Compelled. Every dark thing he asked me to do, I did. Without question. I longed to meet him, but we were both keeping secrets. And mine were dangerous. If I took the first step, if I got closer to Dylan emotionally, physically then I wouldnt be hiding anymore. I would be exposed, with nothing left to surrender but the truth. And my truth could hurt us both. Advance praise for Everything I Left Unsaid Exquisite, thrilling, and toe-curlingly sensual . . . a delicious guilty pleasure I never wanted to end!
