Well, that all depends...Doug Llewellyn, reluctant guest, is greeted with a world-shattering kiss doled out by a beautiful (and rather luscious) stranger who asks him to play along as his date for the week. Rosie Kilgannon, friend of the bride, is also stuck at the country estate, but she's determined she isn't also going to be stuck with the mother-of-the-bride Bettie's choice of partner for her.Should Doug oblige? Hell, yes - this woman is gorgeous, funny, and different from anyone he's dated (and, boy, has this confirmed bachelor dated!).Doug meets the scruffy leader of the band brought in for the week, who introduces himself as, "Anvil. Ear Waxx." To which Doug replies, "Doug. Occasional sinus congestion." Rosie laughs, and he knows his prospects for an enjoyable week just climbed a few dozen notches.But nothing is easy. Bettie is busy sleeping her way through the band, the groom is looking decidedly shady, the bride is crying, the wedding planner is more than taste-testing the booze... and there's this rather likeable nerd running about the grounds in a pith helmet, using a butterfly net as he tries to rid the outdoor wedding venue of squirrels.Lucky for Rosie and Doug the sex is good - because it's only Tuesday, and they've got a long way to go before the wedding!Don't miss Book One in The Trouble With Men Series, Stuck in Shangri-La.Kasey Michaels Romantic Comedy Titles: DS Security Series Can't Take My Eyes Off Of You: amzn.to/1yxZONd Too Good To Be True: amzn.to/1Hb64eY The Brothers Trehan Series Love to Love You Baby: amzn.to/1NQ4HYC Be My Baby Tonight: amzn.to/1NQ4XH0 The Trouble With Men Series Stuck In Shangri-La: amzn.to/1E5zdJv Everything's Coming Up Rosie: amzn.to/1JMGiUi Summer Lovin' Series This Must Be Love: amzn.to/1G0sLaa This Can't Be Love: amzn.to/1IOrsszThanks for reading!Book Categories:Romantic ComedyRomantic HumorRomance Comedy SeriesRomance Comedy NovelsRomantic Comedy Kindle BooksFunny RomanceFunny Romance BooksFrom Publishers WeeklyThe week-long pre-wedding house party for Doug Llewellyn's cousin Lili-beth is slated to be the social gathering of the decade-or a seven-day ordeal of shrill matchmaking and grim self-reflection, as it would seem to Doug-in this latest contemporary romance from Michaels (Stuck in Shangri-La). Handsome, intelligent, witty-and "matrimonially uncatchable,"-Doug is a successful 40-year-old Philadelphia architect dreading the tireless matchmaking efforts of Lili-beth's mother. Ditto for sassy, independent web-site designer Rosie Kilgannon. With no graceful way out, Rosie and Doug figure "us victims have to stick together," and proceed to undo Bettie's best-laid plans. Meanwhile, disaster rules at the pre-nuptial festivities: the groom is showing a dark side, Bettie is methodically bedding each of the band members, the wedding planner drinks more than she pours, and Lili-beth isn't sure she wants to get married after all. Lots of flirting, slap-stick antics and eccentric characters, including light-fingered 85-year-old Aunt Susanna and Lili-beth's secretive childhood friend Delbert, make this a cheerful, lighthearted read.Copyright Reed Business Information, a division of Reed Elsevier Inc. To top off his blue mood, he has to attend a weeklong family wedding extravaganza. This is not how one of Philly's top bachelors wants to spend his time off--until a voluptuous guest runs up to him and gives him one incredible kiss. Rosie Kilgannon is trying to escape a guest picked out for her by the mother of the bride when she sees Doug and decides to use him as a foil. The two agree to be each other's arm candy for the affair and candidly discuss their preferences. Doug likes his women young and without expectations; Rosie just wants to have fun. And the two of them certainly do have a grand time during the topsy-turvy wedding week. Michaels mines the lighthearted vein she worked in Stuck in Shangri-la (2005) in this hilarious spoof of society wedding rituals wrapped around a sensual romance filled with crackling dialogue reminiscent of The Philadelphia Story.
