My favorite so far Von Julia*book for review*This was definitely my favorite out of all 4.I loved how the story finally picked up some speed and the characters started to not annoy me anymore.Also I'm such a fan of seeing Dana and Peter finally together.I think this series would be way better if book 2 just didn't really exist cause that was just

dragging the story along. But now I kinda wanna read the last 2 books cause I really wanna know how it all ends.

KurzbeschreibungA Serialized YA/NA Crossover Romance. (Warning: Includes Cliffhangers, Strong Language and Sexual Situations. 18+ Only.)

Dana: I've always been the smart girl, the careful one. Not anymore. I feel reckless, desperate. I love him, and it's senior year, my last chance with him before I leave for college, so I'm going to take it. What could go wrong? Oh, my God, I had no idea. Peter: I've spent years trying to hide how I feel about her. It gets harder every day. For so long, she was my best friend, the first person who truly believed in me, sometimes the only one. Do I love her? Of course, I do. Can I let her get even deeper into the hellacious mess my life is? No way. You don't do that to someone you love. ****Everything To Me (Book 5) on sale Feb. 6th****
