Von Jordan Dane : Evil Without a Face (Sweet Justice) before purchasing it in order to gage whether or not it would be worth my time, and all praised Evil Without a Face (Sweet Justice):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Repulsively addicting!Von Detra FitchJessica "Jess" Beckett is a freelance bounty hunter. Whenever she runs across abusers, Jess gives them extra attention due to her horrifying past. One good thing came from that terrifying time though, Jess made friends with Samantha "Sam" Cooper. It was Sam that helped rescue Jess so long ago. Now Sam is Vice with Chicago P.D. Though they love each other as sisters, Jess still cannot bring herself to fully trust her friend. New to Jess's bounty hunting team is young Seth Harper. Even though Seth is not what he appears to be, Jess's instincts told her to hire him on-the-spot. The young man can blend into upper crust crowds as easily as the lower and he is a computer genius.While Jess is giving some extra attention to a low life named Lucas Baker, she and Seth

stumble upon an international organization, calling itself Globe Harvest, that barter in human lives. Striking a major nerve from her past, Jess is unable to stop herself from going after Globe Harvest. Payton Archer is a former pro football player. His sister, Susannah, and his seventeen-year-old niece, Nikki, are his reasons for living. So when Susannah frantically calls him and says that Nikki has disappeared, Payton charges into action. The leads take him out of state (from Alaska) and all the way to Chicago. The main players come together and only by joining forces do any of them have a chance of locating Nikki and possibly getting a foothold into Globe Harvest.***** This one hits all parents with one of their worst nightmares, their child disappearing. The most chilling part of this story is that such organizations and their actions DO exist. Jordan Dane paints a grizzly plot with such realistic characters that they seem to jump off the pages. Repulsively addicting! *****Reviewed by Detra Fitch of Huntress Reviews.
