Von Cleo Peitsche : Executive Toy (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Executive Toy (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Oh WOW!!! Cleo knows how to write these thingsVon CassandraOh WOW!!! Cleo knows how to write these things and make them more than hot! And the story around is also very interesting! I've learned from previous books not to assume anything where the story would go. lol Cleo has some mean twists coming! Anxious for the next one in this series! I want to be Lindsay so badly!0 von 0 Kunden fanden die folgende Rezension hilfreich. Too short in my

opinion. But hot! Von Magritte So this is an erotic BDSM story. A woman seduced and dominated by 3 men. The story was hot but it left me hanging. It's only 65 pages long or rather short. It is not a standalone. And there was definitely something missing. Feelings, any feelings. Enjoy the read MBTM

Kurzbeschreibung EXECUTIVE TOY (#1) is a BDSM menage romance of 18,000 words. Contains multiple partners and BDSM elements in office settings. To stay alive, Lindsay has always relied on her looks and her wits. It's not always enough, and underneath her carefully polished exterior is a desperate woman who will do anything to survive. When she's called to account for her misuse of the company credit card, she hopes to flirt her way out of trouble. Instead she finds herself faced with a gorgeous stranger who is immune to her manipulation, and she's shocked by the punishment he deals out. No one in the office can tell her who the stranger is, and when she encounters him again weeks later, things take another unexpected turn times three. Three handsome, rich businessmen. In their arms, she almost feels safe. But she knows the truth: safe is an illusion, and staying alive is all that matters. This BDSM romance includes sexual dominance and submission, spanking, multiple partner, menage, and many other delights. For adults only. Romantic suspense.

ber den Autor und weitere Mitwirkende If Cleo isn't writing (or reading!) erotica, she's probably sitting on her balcony, watching the wind blow through the trees. She loves horses, snowstorms, and pia coladas. If she won the lottery, she would hire an assistant to take care of the technical side of publishing so that she could write all day. Some random facts about Cleo: 1. Thinks life's too short to forgo HEAs and HFNs. 2. Sprained an ankle joining the mile-high club. (Never again!) 3. Favorite writers include Cormac McCarthy, Junot Diaz and Rachel Caine. 4. Gets weak-kneed for bookish guys who know how to fix things with their hands. *swoons*
