**Von Anne Rice, Anne Rampling : Exit to Eden** before purchasing it in order to gage whether or not it would be worth my time, and all praised Exit to Eden:

Leider ohne Paul Mercurio Von Jamie83 Auf diesem Buch basiert der Film "Exit to Eden" mit Paul Mercurio als Elliott, welchen man aus der Josef-Bibelverfilmung kennen drfte. Ich muss sagen, dass Exit to Eden ein relativ nett geschriebenes Bchlein ist, allerdings fr die Hardcore BDSMler oder andere Leute, die auf jeder Seite puren Sex erwarten nicht geeignet. Anne's Stil zeichnet sich eher durch die Abwechslung von Witz und Erotik ab, was besonders

in der Verfilmung wieder zu erkennen ist. Alles in allem ein schnes Bchlein fr die Badewanne, aber wer es etwas hrter mag, ist mit Sleeping Beauty von Anne Roquelaure besser beraten :o) (und zwar mit allen 3 Bnden) 1 von 1 Kunden fanden die folgende Rezension hilfreich. A Cleverly Disguised Yet Typical Paperback Romance Novel Von Ein Kunde I first read this book when recommended to me by a friend who termed it as "beautifully sexual." At the time, I agreed with her - to a lesser degree. However, after having read it recently (along with an added maturity), I am surprised to see how typical the structure of the novel is so that it resembles a popular romance novel. Does this sound familiar? The plot is that of the initially strong woman who has (kinky) sex without guilt and controls the dominant "gaze" in her work. Yet she has this "gaze" threatened by a more dominant male to whom she succumbs to such an extent that she momentarily loses sight of her life and work. She is thus rewarded with marriage as there is nothing more rewarding for a powerful woman than to be dominated by an even more powerful man. There lies the psychology behind the success of the romance novel - the ultimate fantasy for the woman to be dominated and the man to dominate with rewards of lifelong sex i.e. marriage or the equivalent. The question is will the powerful husband let his wife continue on with The Club as before, or will maternal duties or the powerful man's instinct to seek ultimate control somehow see him at the top of The Club? Lisa and Elliot (who is supposed to be a Ph.D holder!) sound, in the best sense, pseudo-intelligent and typical (too perfect in all respects), giving them the essence of plywood. Anne Rice jumps all over the place, not developing any of her interesting points (i.e. Lisa's conflict within herself, SM as pain to experience pleasure, etc.), and it is hard to see what point she is arriving at, if there is one at all. I especially dislike her use of Catholic symbolism as I find it one of the most banal and unimaginative ways to depict repression. As always, she has an interesting premise but her endings are awful. The fact that their love is consummated by a marriage (!) sounds hollow and hypocritical. So be warned that this is not literary erotica but a drugstore romance novel set in an unusual place but otherwise adhering to a formulaic structure. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Excellent novel, not unlike the Sleeping Beauty trilogy Von Ein Kunde I was a skeptic at first when I bought this book, but my opinion soon changed. Simply the best by Anne Rice in my view, even though it was written before her Vampire Chronicles. It's very sensual and VERY erotic; but at the same time, it plays with your heart. You feel as though you are Lisa or Elliot, and it pulls you into the pages like none other I've read. I've loaned it to four people who each bought their own copy after reading mine....you won't be disappointed!!!!

Kurzbeschreibung The bold erotic masterpiece by #1 New York Times bestselling author Anne Rice writing as Anne Rampling. They call her the Perfectionist. A stunning, mysterious, and fearless sexual adventurer, Lisa is founder and supreme mistress of The Club an exclusive island resort where forbidden fantasy meets willing flesh. Here eager participants who can afford life's most exquisite luxuries can experience the breathtaking pleasures of surrender and submission. Here nothing is taboo. A thrill-seeking photojournalist, Elliott risks his life daily in the most dangerous, war-torn regions on Earth. Now he has come to Paradise to explore his most savage and vulnerable sexual self, committed to the ultimate plunge into personal risk. Together, their journey to the limits of erotic pleasure will take them farther than they ever dreamed they'd go . . . de The same imagination that brought you the spellbinding sensuality of The Vampire Chronicles brings you the wickedly erotic and tantalizing tale of Lisa and Elliot's journey to the limits of pleasure and darkness at The Club, an exclusive island resort where forbidden fantasy meets willing flesh. A literary romp. Pressestimmen Anne Rice is a fearless writer. Call her the It Girl of contemporary fiction \* ROLLING Stone \*
