This misogynist MC has never seen the likes of Sarah.Von Jean SmithWhat can I say, Id been molded in a world filled with violence, my innocence taken away far too soon, and Id survived those hard times because I was a fighter. A survivor.

I didnt need anything or anyone to get by, but damn it was a lonely life. Sarah Star Anderson I think that statement should give you a clue about Sarahs nature. Life hasnt been kind to her, but shes managed to weather it and come out the other side the better person all in all. She lives life with karma and the rule of three in mind. What goes around, comes around. What you dish out comes back at you threefold. Even so shes learned to be one tough cookie when the situation calls for it. Gun fights and kidnappings definitely call for it. Being the daughter of a crazy arms dealer and step-daughter of Lady Death means shes prepared for whatever life dishes up. That includes rescuing herself and Carlos Beach Rodriguez from erstwhile kidnappers. Carlos Beach Rodriguez, national president of the Iron Horse MC is completely smitten with the hot little number that dishes as good as she gets and thats well before the bullets start flying. Watching Sarah in action is a thing of beauty and is it any wonder the tough MC pres decides then and there that shes his. Not once has he ever felt the urge to claim a woman but this one hell claim and protect until his dying breath. Even if it means standing up to her crazy father and taking his life into his own hands with her stepmother. Finding out Sarah is much younger than he first assumed might make him miss a step but it certainly isnt going to make him stumble on his way to a lifetime of loving her. One thing is for sure though, she will definitely keep him on his toes with her very independent ways. Nothing a good spanking once in awhile wont cure. Exquisite Redemption is one of those books you cant put down. I read it in one sitting and I hate to say it, but I know I was a little short with anyone who dared interrupt me. But darn it! It was that damned good! While the violence and action is fairly fast-paced in the beginning, the sexual tension built steadily throughout. When things finally came together for these two, I can only say wow more than worth the wait. While this is only part one of two it ends on an HFN for Sarah and Beach. The question remains who attempted to kidnap him and will they be back? Part one is definitely worth reading as a stand alone, but I have to say Ill be impatiently waiting for part two to arrive in February.\*\*\*\*\*Reviewed for Xtreme-Delusions\*\*\*\*\*

Kurzbeschreibung~This story CAN be read as a standalone, but for the most enjoyment the series should be read in order~Sarah In my wild, reckless past Carlos Beach Rodriguez would have been my ideal man. Hes handsome, experienced, rich, kind, and in complete control of his destiny. Unfortunately hes also a criminal, the President of an outlaw motorcycle club, and Ive sworn off bad boys in my efforts to live my dream of being normal. It would be so much easier to resist him if he hadnt saved my life more than once and didnt treat me like his queen. Beach Gorgeous, smart, and deadly, Sarah is my ideal woman, even if she is almost young enough to be my daughter. On the surface shes one of the toughest females Ive ever met, but underneath all that hard beauty and menace lies an incredibly tender heart thats been damaged in the past. Winning her love is gonna be a challenge, but Im determined to have her as my old lady and Ill do whatever I have to in order to make that happen. That would be a hell of a lot easier to do if people werent trying to kill us all the time. Author's note- This is part ONE of TWO for Beach and Sarah's story and ends on a Happy For Now. Book TWO of Beach and Sarah's story will be available March 3rd, 2016.
