Bombenanschlag entkommen, macht sich der Elektrokinetiker Blue Perrineau, Agent der bernatrlichen Detektiv-Agentur Dirk Steele, nicht ganz freiwillig auf den Weg nach Las Vegas, um im Auftrag seines manipulativen Vaters seinen Halbbruder Daniel zu finden. Dort trifft er auf die Raubtierdompteurin Iris McGillis. Was niemand wei: Iris trgt selbst die Raubkatze in sich - sie ist eine Werleopardin. Schnell flammt die Leidenschaft zwischen den beiden auf. Dann wird klar, dass Iris selbst gejagt wird. Der Menschenhndler Santoso, dem Blue schon in Indonesien auf der Spur war, will sie in seine Gewalt bringen ...Auch im fnften Teil ihrer "Dirk Steele"-Serie bietet Marjorie M. Liu ihren Leserinnen wieder eine rasante Geschichte. Diesmal sind die Schaupltze allerdings nicht so exotisch wie in den vorherigen Bnden: Nach einem kurzen Beginn in Jakarta spielt der meiste Teil der Handlung in und um Las Vegas. Das Paar findet, wie schon in den vorigen Bchern, schnell zueinander, es trennen sie hauptsächlich die ueren Umstnde. Die von der Autorin geschaffene Welt war schon immer ein brutaler und erschreckender Ort, doch dieses Buch mutet mit den Themen Menschen- und Organhandel Liebesromanleserinnen ziemlich viel zu. Auch was Gestaltwandler-Sex angeht, sollte man nicht zu empfindlich sein. Doch fr Fans actionlastiger paranormaler Liebesromane bleibt die Serie nach wie vor eine echte Empfehlung. (BL)

KurzbeschreibungAnyone who loves my work should love [Lius]. Christine FeehanEye of Heaven is yet another dark and sensuous romantic winner from the extraordinary Marjorie M. Lui, arguably one of the boldest, most inventively original authors currently working in the paranormal romance field. Centered once again around the remarkable Dirk and Steele Detective Agencywith its shapeshifters, psychics, telekinetics, and others with astounding supernatural giftsEye of Heaven brings a tormented investigator to Sin City Las Vegas, where a beautiful, feral headliner needs protection from a terrible darkness that is threatening her world. A passionate tale of romance, mystery, danger, and otherworldly occurrences, this is Marjorie M. Liu at her finestand further proof that, If you have yet to add Liu to your must-read list, youre doing yourself a disservice (Booklist).From Publishers WeeklyOnce again, Liu has managed a brilliant blend of fantasy, action and romance in her latest Dirk Steele novel, which follows the members of a paranormal detective agency. When electrokinetically gifted agency detective Blue Perrineau is blackmailed by his father, dying billionaire Felix Perrineau, he's forced to track down Felix's other son, Danielthe brother Blue never knew he had. His search for Daniel takes him to a small Las Vegas circus that features Iris McGillis, a slinky shape-shifter with a lion act and a global fan base. After Blue saves Iris from an ecoterrorist sniper, they form an instant attachment, but he runs into trouble when he finds Daniel and, later, a dangerous flesh peddlerboth of whom also have plans for the hypnotically sexy Iris. Liu brings her skewed universe to life with skill and conviction, grounding the comic-book plot with fully realized personalities and the workaday details of circus life. Though a bit drawn out, this entry will undoubtedly please fans of the series and should provide a fresh thrill for anyone in the market for an extraordinary romance. (Dec.) His father has faked his death as a ruse to lure Blue back home, blackmailing him to turn his attention to finding a half brother he never knew existed. In the Vegas heat Blue finds his brother, as well as the intriguing Iris, and a tightening web of secrets and betrayals that threaten whatever future he may have with both. Liu dispenses more hints to her universe in this latest installment in the Dirk Steele series (Tiger Eye, 2005;The Red Heart of Jade, 2006). Mutant humans dealing with acceptance and self-confidence are not new, but they've never had it so good. Liu is masterful in merging espionage, romance, and the supernatural into fiction that goes far beyond the boundaries of action-adventure romance or romantic suspense.
