Von Gary A Linderer : Eyes of the Eagle: F Company LRPs in Vietnam, 1968 before purchasing it in order to gage whether or not it would be worth my time, and all praised Eyes of the Eagle: F Company LRPs in Vietnam, 1968:

KundenrezensionenHilfreichste Kundenrezensionen4 von 4 Kunden fanden die folgende Rezension hilfreich. Read This Lima Charlie!Von Ein KundeMy hat's off to Mr. Linderer, who I know gives the average reader not familiar with

Vietnam Spec Ops a front row seat in the down and dirty business of taking war to the enemy. Though not as famous as the SEALs or Green Berets, the members of the Long Range Recon Patrol played an important part in the fighting doctrine that is used today by more modern soldiers--including me, an ex-1990's Lurp myself (needless to say I joined the Lurps just because of knowing their incredible history!) This book would make an INCREDIBLE movie. And not starring that fantazoid Stallone either! The heroics portrayed in this book are absolutely overwhelming. The missions that Linderer pulled are very well described--from the boring details that every soldier is familiar with, to the in-your-face terror of shooting at an enemy a few feet away from you. Definately one of the best books on Vietnam ever written by someone who was there. Forget the sorry biographies by the media types that "served" with some units in the field. THIS is the book to get! Well done, Mr. Linderer, and to all of the other books you've written!

1 von 1 Kunden fanden die folgende Rezension hilfreich. Hunter Killer Teams Von B. M. J. Linderer nimmt den Leser mittels tagbuchartigen Aufzeichnungen mit direkt an die Front, bzw. hinter die feindlichen Linien. Interessant, spannend und nicht verschnrckelt aufgebaute Chronologie, in der man auch mal zwischen den Kapiteln herumspringen kann. Ein interessanter Einblick in das Wirken der LRPs (Long Reconnaissance Patrol = zu dt. Fernspher) tief im feindlichen Gebiet, manchmal ohne jeglichen Feindkontakt, manchmal mit etwas zu viel. Leicht und flieend lesbar, ohne in den Campjargon zu verfallen (jedes 4te Wort wre dan fu\*\*), allerdings mit vielen militrische Abkzungen, die einen regelmigen Blick ins Glossar erfordern. Dafr ist die Story auch aus erster Hand!

I find Gary to be an exceptional writer. His book put you right there in the action. Once you pick them up they are hard to put down. I have had the honor to meet Gary in person, and he is the type person that has no phony buisness about him. RoadRunner6 Out

Kurzbeschreibung When Gary Linderer reached Vietnam in 1968, he volunteered for training and duty with the F Company 58th In, the Long Range Patrol Company that was "the Eyes of the Eagle." F Company pulled reconnaissance missions and ambushes, and Linderer recounts night insertions into enemy territory, patrols against NVA antiaircraft emplacements, and some of the bravest demonstrations of courage under fire that has ever been described.... From the Paperback edition.
