Von H.W. "Buzz" Bernard : Eyewall before purchasing it in order to gage whether or not it would be worth my time, and all praised Eyewall:

Fantastic!Von JeanieI live on St. Simons Island and this made me do a lot of thinking about how soon to get out! I bought extra cat carriers and reviewed my evacuation list/route/escape place. Buzz knows his stuff being former Air Force and Weather Channel meteorologist. His accurate accounts of what might actually occur, combined with

knowing my island, brought this novel to life. I cannot wait to read his next one. I will buy anything he writes!

KurzbeschreibungSt. Simons Island, Georgia, has never been hit by a Category 5 hurricane. Until now. No one predicted the storm's sudden force. A crippled Air Force recon plane, trapped in the eye of a violent hurricane. An outspoken tropical weather forecaster, fired from his network TV job before he can issue a warning: the storm is changing course and intensifying. A desperate family searching for a runaway daughter on Georgia's posh St. Simons Island, cut off from escape as the hurricane roars toward them. A marriage on the rocks; an unrequited sexual attraction; a May-December romance. All will be swept up by the monster storm. Get ready for a white-knuckle adventure.
