die folgende Rezension hilfreich. Unspektakulres PornoVon Hooded CrowWas soll man dazu sagen? Ein Dimensionale Charaktere, langweilig und eine Sprache, wie man sie von Erotik Romanen wohl nicht anders erwarten kann.Die Idee mit den Cyborgs ist wahrscheinlich kreativ, aber die Umsetzung ist so klischeehaft, dass man trotzdem nur das Gefhl hat den Katalog der Erotik-Schreibtipps zu lesen.

Everything changes when another flesh covered droid arrives, a cyborg he calls himself, who teaches her she is more than a machine.Solus hates humanity, and even though he was born as a flawed human, he strives to eradicate all traces of it from his persona--until he meets F814. Meeting and touching her releases something in him. Has him yearning for things he doesnt understand. Makes him long foraffection.KurzbeschreibungF814 exists to serve the humans until the day they try to terminate her.
