Von Leslie A. Kelly : FADE TO BLACK (Black CATs Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised FADE TO BLACK (Black CATs Book 1) (English Edition):

KurzbeschreibungPraise for Fade To Black..."Fade to Black is a trifecta of good romantic suspense: good characters, good romance, and good suspense. B+" -- All About Romance"Fade To Black is a very entertaining story. It's gripping, it has me at the edge of my seat, and it even has me feeling scared - and you're looking at an unapologetic fan of gore-drenched horror movies here. The quiet moments when Dean and Stacey find solace in each other's company provides the tenderness to counter the bleak desolation that is the rest of the story. All in all, Fade To Black is fabulous!" - Mrs. Giggles"The diabolical plot yields a chillingly brutal, yet riveting, story.... When it comes to gritty and edgy suspense, she makes all the right moves. 4 1/2 stars. Nominee: Best Romantic Suspense of the Year" - Romantic Times MagazineNominated for the National Reader's Choice Award for Best Romantic Suspense Novel! A team of FBI agents are on the trail of the Reaper--a monster who auctions off means-of-death at a cyber playground for deviants. Special Agent Dean Taggart's investigation takes him to the small town of Hope Valley, Virginia, where he meets the strong and competent Sheriff Stacey Rhodes. Dean and Stacey are in a battle of wits against the Reaper, knowing he has chosen his next victim: a young child.
