Bellemare has not returned to see Queen Tania. The Earl Hugh has been plagued by dreams of Tania and has sworn off all women because of it. Many horrors have fallen on Bellemare, foals have been born stillborn and with horrible deformities. The brothers think that the Blessing that are upon them have been removed? They have not heard from Juliana since her marriage to the UnBlessed King. All of this unknown is killing them. In a blink of an eye huge, William and Thomas are once again going back to the realm of the Immortals. Tania has made a blood bargain with the highest of all demons Lucian. In her selfish way she forces love and once again kidnapping on Lord Hugh. Her time and the Fae are coming to an end if the Queen does not find true love. William disappears and Thomas is left trying to find his family. Thomas goes to the UnBlessed King to seek out his sister and some help. While there Thomas is refused to see his sister. Merrick will not allow it. We find that Juliana is frozen in time. Merrick is distraught. He cannot figure out why she has done this, or has she. With two worlds slowly crashing in and devastation all around can love and hope prevail? Michelle does a phenomenal job of weaving all of this into an amazing story. There were twist and complex situations all around. I love the authors writing and the time it takes to plan all of this is worth the time to read. I cannot wait for Book 3.

Kurzbeschreibung Realm Immortal: Faery Queen Fantasy Romance It is ill-advised to incur the wrath of a faery, but it is most foolish to do so of a faery queen. At first sight, Queen Tania of the Faeries knows that Hugh, Earl of Bellemare, is her one true love. Yet a year has passed since he promised to return, and now she knows he never intended to come back. With her mood darkening and her castle tarnishing, Tania vows to teach Hugh a lesson he will never forget. That no human should dare deceive a faery queen. In her despair, she turns to King Lucien of the Damned, and swears a blood vow that risks the fate of all the faeries and Hugh's soul. Suspicious of the magical world, Hugh wishes he had never discovered the truth of what was beyond the mortal realm. Noble duty consumes his time but not his heart. He lost that to the seductive Queen Tania, who surely wanted him only as her plaything. Despite his vow to forget the teasing nymph, she haunts his every thought. When he finds himself kidnapped by the demon king and back in Tania's arms, Hugh cannot resist her charms. But with his family's safety at stake and the land at war, he must return to his home. Even if it means destroying Tania's life. In a war-ridden land, destiny rides on the wings of a faery queen and on the will of an earl who refuses to acknowledge their love. Warning: This book contains hot sex, violence, a castle full of amorous faeries, a vengeful queen succumbing to her darker thoughts and the human she would make her plaything.
