St.Ich kenne die meisten Bcher von Laurens, die meisten sehr unterhaltsam, andere weniger."Fair Juno" habe ich nur mit Mhe zu Ende gelesen und ich wei nicht, ob ich nochmal wagen werde,ein Buch von Laurens zu

lesen. Am meisten hat mich das Verhalten der "Heldin" (besser Nichtheldin) gestört. Ihre Denkprozesse sind ausführlich beschrieben, entsprechen aber leider dem Niveau einer 10-jährigen (ohne 10-jährige hiermit diskriminieren zu wollen). Das Buch endet damit, da das endlich zur Hochzeit entschlossene Paar sich auf sein Kind freut -hoffentlich setzen sich die Gene des Vaters durch. 0 von 0 Kunden fanden die folgende Rezension hilfreich. I love HER books Von S. Linder When the Earl of Merton suddenly found himself playing knight to a damsel in distress, he knew that his days of rakish bachelordom were numbered. But although the lady seemed grateful for his assistance, she fled the scene without revealing her name. Now it was up to him to search for the threads that would lead him back to her, he had to find her and woo her--though past scandals and present dangers threatened his pursuit of the mysterious lady he knew was to be his destiny. In this book we meet again Dorothea and the Marquess of Hazelmere from Stephanie Laurens' book 'Tangled Reins'. Both books can be read without the other.

Kurzbeschreibung From the sparkling ballrooms of Regency London to the wealthy glamour of the country house let Stephanie Laurens be your guide! Kidnapped in the small hours, Miss Helen Walford had spent the day trussed and trapped in a worn-out chaise. She was rescued by the infamous Martin Willisden a rakehell who had been banished to the army, now scandalously raised to the rank of Earl of Merton! To add insult to injury, the proper Miss Walford had been forced into a compromising situation with her wicked saviour. Her only defence lay in anonymity. But captured by her beauty and bravery, the Earl of Merton knew that he had to find his mysterious lady. He'd move heaven and earth to track down the woman he knew to be his destiny. Laurens' writing shines Publishers Weekly Pressestimmen "Laurens' writing shines." - Publishers Weekly "Stephanie Laurens' heroines are marvellous tributes to Georgette Heyer." - Cathy Kelly "All I need is her name on the cover to make me pick up the book." - New York Times bestselling author Linda Howard "Kurzbeschreibung From the sparkling ballrooms of Regency London to the wealthy glamour of the country house let Stephanie Laurens be your guide!
