KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Nett geschrieben!Von CADas Buch handelt von einer Eishockeytrainerin und einem lteren Eishockeyspieler aus der

Mannschaft, die sie trainiert, sowie von den Irrungen und Wirrungen in die beide verstrickt werden. Es ist solide geschrieben, auch mit "heien" Szenen, gut fr ein verregnetes Wochenende. Es hat mich aber nicht so fasziniert wie andere Bcher, deshalb nur drei Sterne.

Kurzbeschreibung Savannah Morrison is the new athletic trainer for the Moncton Ice Cats, a professional hockey team in the wilds of New Brunswick. Its a good thing shes got plenty of knowledge and grit, because as the only female trainer in the league, she has to work twice as hard to win the players respect. The last thing on earth she would do is date one of them. Twelve year hockey veteran Garrick LeBlanc isnt ready to hang up his skates, particularly since he hasnt figured out what the hell hes planning to do next. He needs the new trainer to keep him fit to play, and shes got the skills to do it. Too bad he lost his mind and hit on her the day they met. Now she hates his guts and hes made an art of ignoring her. When the team is put up for sale, Garrick and Savannah have to work together to save their jobs and their team. Somewhere along the way, they discover Garrick isnt just a hockey player, Savannah isnt only passionate about her work, and just maybe theyve got more in common than they thought. Contains brief M/M content. Don't worry, though, there's plenty more in Book 2. :) Kurzbeschreibung Savannah Morrison is the new athletic trainer for the Moncton Ice Cats, a professional hockey team in the wilds of New Brunswick. She wrote her first book as an escape from the pressures of her day job. That fascinating piece of contemporary erotic mystery/suspense with elements of paranormal, international intrigue, and god only knows what else, is safely tucked under her bed, where it will remain until hell freezes over. Since then shes learned a lot about the craft and turned her attention to writing contemporary MM and MMF Mnage erotic romance. Sam lives with her family of both the two and four-legged variety outside of Boston. She used to spend her days toiling away in corporate nerdville but was recently sprung from that hell. Now when shes not locked away in her home office, she can generally be found tucked in the corner of the local Thai place with a few beloved friends and fellow authors. Her favorite things include mango martinis, tiny Chihuahuas with big attitude problems, and the Oxford comma. Sam loves to hear from readers.
