**Von Josette Browning : Fairest of them All (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Fairest of them All (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Mixture of My Fair Lady, and a reversal of Tarzan tale.Von Ein KundeThis concicely written story tells of a child found in the

wilds of Africa, and handed over to (of course) a dashing, wealthy, young bachelor, who is given the assignment to make her a lady. Romance takes a backseat to storyline most of the time, (which is a plus for that rare male reader like myself!) Browning wisely chooses to write in modern English, so there is none of that insipid "tis" and "wherefore" talk here, though it is set in the 19th century. This book deserved a hardcover edition.0 von 0 Kunden fanden die folgende Rezension hilfreich. Guaranteed to keep you excitedVon Ein KundeI really love the book and the characters in it. I love the way the author made the hero not seem interested with our heroin at the first half of the novel. If you are interested in books with a love-hate relationship then this is the book to buy! Daniel Canty can't stand Talitha at the beginning and Talitha was madly in love with him promising to be a lady so Daniel would be attracted to her and not to the ladies he was involved with. This book will make you laugh, cry and heat up with passion!

KurzbeschreibungHenry Higgins had it easy. In this romance novel by Josette Browning, Squire Daniel Canty accepts a lunatic bet that he cannot make a lady out of the wild child Talitha Rowan by her eighteenth birthday. The stakes are even larger than the twenty thousand pound wager. At risk are Talitha's life and Daniel's heart.KurzbeschreibungHenry Higgins had it easy. In this romance novel by Josette Browning, Squire Daniel Canty accepts a lunatic bet that he cannot make a lady out of the wild child Talitha Rowan by her eighteenth birthday. The stakes are even larger than the twenty thousand pound wager. At risk are Talitha's life and Daniel's heart.Synopsis Fairest of Them All is the story of a woman's struggle to reconcile her English heritage with her wild upbringing, and the overwhelming passion she feels for a man beneath her station.'
