Hot little fairytale!!Von Anne B.What a lovely, touching and sexy as hell read!You just have to love clumsy and big rhino Tromp and his sexy kitty, Pepper. They're such an amazing couple and just adorable, together or each on their own. That Tromp sees the "real" Pepper and loves him the moment he lays his eyes on him is heartwarming. Pepper

instantly feels like home in the arms of his big lover. Tromp can't hardly believe that such a delicate lovely creature like Pepper, could fall for him. But Pepper only sees the big golden heart of the big rhino and the way he really cares for him, no matter what. Getting closer they really can't take their Hands, paws and horn from each other. It's so steamy,once in while you almost can hear the satisfied purr of Pepper while reading. I really enjoyed this story and am looking forward to more of such fairytales!

KurzbeschreibungAs a rhino shifter, Tromp knows that hes not the sexiest beast in the world. In fact hes clumsy and he cant see very well, and thats whether hes in his human or animal form. Still, he enjoys going to the bar and watching the other shifters hooking up, especially the dancers. Then he sees a slinky kitty dancing on the little stage and hes immediately smitten. He knows a sexy beauty like that would never go for him, but hes happy just to watch and fantasize about what could be. For his part, panther shifter Pepper might be gorgeous on the outside, but he knows most people see him as nothing more than a piece of meat and hes had a hard past. Theres something in the way the big rhino shifter looks at him while he dances, though, that makes him feel special. So when his stint on the stage is over, he heads right to the rhinos table.Can Tromp and Pepper ignore the worlds expectations and find what they need in each other?KurzbeschreibungAs a rhino shifter, Tromp knows that hes not the sexiest beast in the world.
