Wahnsinn!!Von JenniferReads"Fallen" ist das vierte Buch in der Blood Roses Serie und ich habe es verschlungen, wie die Becher davor auch. Callie Hart ist eine Meisterin Ihres Fachs und hat mich bisher immer zu 100% berzeugt. Alle Charaktere sind sehr berzeugend geschrieben und der Plot an sich ist einfach groartig. Meine absolute Lieblingsserie 2014. Da wird sich auch in Zukunft nichts daran ndern, da bin ich mir sicher!0 von 0 Kunden fanden die folgende Rezension hilfreich. Best one so farVon M.J.I really really loved Deviant but I gotta say, Fallen is the best book in the series so far. Call me an hopeless romantic, but I absolutely love how Sloane and Zeth are falling harder and harder for

each other. It's great to see how their characters develop with each new installment and how their feeling towards each other deepen and adapt. Callie is an incredible author and I am proud, to be with the Blood and Roses series since the very beginning. Can't wait for Twisted and the big finale!

Kurzbeschreibung Fallen is the fourth book in the Blood Roses series. Make sure you check out Deviant, Fracture and Burn prior to reading this instalment. Sloane For over two years, Sloane Romera has pinned everything on finding Alexis. Life was going to get better. Easier. Happier. The nightmare of having a missing sister was supposed to end, and everything was supposed to go back to normal. However, now that shes found her sister, Sloane is discovering that life has a way of ridiculing what we expect of it. Nothing is easier. And normal is falling for a man who might never be able to feel the same way.\*\*\*Zeth A lengthy history of breaking things with his fists has given Zeth Mayfair a fairly good idea of how to get his own way. But when his goal, the one, single woman on the face of the planet that hes truly ever wanted, can only be obtained by fixing things instead of destroying them, how can he adjust a lifetime of violence in order to make her his once and for all? And how can he make sure that she is safe? The first part is going to take time. But the second part The second part is easy. He must kill Charlie Holsan.
