**Von Nicky Wells : Fallen for Rock (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Fallen for Rock (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Hits all the right chords!Von Emma CalinThis is a sexy book. Putting sex in a story is easy. Making it sexy is talent. When a buttoned up ambitious girl who's already made it in her own world tumbles into the wild world of rock, her buttons quickly unravel. Without giving away the story, Emily manages to fall for two men and get away with it. In the meantime she indulges in the ultimate fantasy of stepping out of her old stable privileged life. It's not supposed to be

for ever but everything is for ever when the beasts of lust and love break free. There are prices to be paid and choices to be made. She has the most fantastic sex of her life and loses all her previous status. Some would say this was a fair exchange but she doesn't take it lying down and fights back. This is hard core rock star romance but also an uplifting story of a woman finding her true self through whatever life throws at her. Another top read from Nicky Wells.
