Von V.C. Andrews : Fallen Hearts (Casteel) before purchasing it in order to gage whether or not it would be worth my time, and all praised Fallen Hearts (Casteel):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A thrilling, romantic, haunting tale about a once lost loveVon Ein KundeThe story about the Casteel Family is probably the most intriguing of all V.C. Andrew's series. It is very well written and has all the twists and turns that are expected

when you pick up a book under this author's name. I believe this particular story is the best out of the series, and that really is saying a lot. After years of childish flirtation, Logan and Heaven finally get married. But then they are invited to stay at Farthinggale Manor for their honeymoon, and Heaven is reluctant to go. Years ago she had lived at Farthy, and had loved and lost a man named Troy. Her love for Troy was even greater than hers for Logan, and Heaven doesn't want to be reminded of all the pain she went through. But, catering to her husband's requests, they make their way to the dark and dreary mansion that has only held bad memories for Heaven. This was a terrific romance novel with plenty of suspense. V.C. Andrews's finest! (as well as my personal favorite!) 0 von 0 Kunden fanden die folgende Rezension hilfreich. good, but disappointing! Von poohgyrl9@aol.com after reading Dark Angel, i was so sad that Troy was dead. but then once i read this book i was so happy he was alive, because for some reason i like him better than Logan and i think Heaven should be w/ him. anyway, once i found out he was alive, the possibility that Heaven would run into him again even after he left made me so happy!! i especially loved the part at the end of this book when Troy sent her the cottage. then when i read the back of Gates of Paradise, i was so mad!! i can't believe they ended Heaven and Logan's life. i wanted so much for Troy to come back!! he was never mean and spiteful to Heaven the way Logan was. i mean, he was so rude to her when she met him at that cafe in Boston! Troy and Heaven were meant for each other! and then Tony had to go and ruin it all. i know its stupid to get this caught up in a book, but i can't help it!! if you feel the same way i do, or even if you dont, and you want to discuss it with me, please email me! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Emotionally gripping Von Ein Kunde I have just finished reading this book along with the prequels. I was compelled to read these books so I could understand the life behind Farthinggale Manor and the lives it disrupted. It is a touching series that made me cry and laugh but mostly understand the cruel but realistic ways that nature deals out to unfortunate others such as Heaven and her generation. Unlike many books, this series brings out more surprises during the story and keeps you guessing what the future holds for Farthy. I was disappointed by the heartache caused to Troy and Heaven, but realise the manner in the book wasn't just about a love story but more about a girl whose whole life has been so unfair but who finally finds peace within herself after the truth is revealed. Virginia Andrews is an amazing writer whose books are addictive and I look forward to reading Gates of Paradise.

Kurzbeschreibung Proud and beautiful, Heaven came back to the hills -- to rise at last above her family's shame! As Logan's bride, she would savor now the love she had sought for so long. And free from her father's clutches, she would live again in her backwoods town, a respected teacher and cherished wife. But after a wedding trip to Boston's Farthinggale Manor and a lavish, elegant party, Heaven and Logan are persuaded to stay...lured by Tony Tatterton's guile to live amidst the Tatterton wealth and privilege. Then the ghosts of Heaven's past rise up once more, writhing around her fragile happiness...threatening her precious love with scandal and jealousy, sinister passions and dangerous dreams! Pressestimmen Praise for Virginia Andrews: 'Beautifully written, macabre and thoroughly nasty... it is evocative of the nasty fairy tales like Little Red Riding Hood and The Babes in the Wood, with a bit of Victorian Gothic thrown in. ... What does shine through is her ability to see the world through a child's eyes' Daily Express 'Makes horror irresistible' Glasgow Sunday Mail 'A gruesome saga... the storyline is compelling, many millions have no wish to put this down' Ms London 'There is strength in her books - the bizarre plots matched with the pathos of the entrapped' The Times Pressestimmen Praise for Virginia Andrews: 'Beautifully written, macabre and thoroughly nasty! it is evocative of the nasty fairy tales like Little Red Riding Hood and The Babes in the Wood, with a bit of Victorian Gothic thrown in. !
