Schne Liebesgeschichte mit ernsten HintergrundVon Tina G.Gabe (Soldat) und Alexis (freiwillige Helferin der UN) treffen sich in einem Camp in Afghanistan. Er, ein sympathischer Playboy, der ziemlich von sich eingenommen ist, wird ihr

als Begleitschutz zugewiesen. Alexis benimmt sich am Anfang ziemlich zickig, hat Vorurteile und lässt sie Gabe auch spren. Mit der Zeit verstehen sie sich immer besser und als sie in eine gefährliche Situation geraten, müssen sie sich auf einander verlassen, um zu überleben...Die Story hat mir sehr gut gefallen, es geht nicht nur um die Liebesgeschichte, sondern es wird gut beschrieben, was die Soldaten vor Ort leisten und welchen Risiken sie sich täglich aussetzen. Habe es nicht erwartet, aber das Buch hat mich zum Nachdenken gebracht. Lest auch "Hidden" - Die Geschichte von Nick, der in Camouflaged fters erwähnt wird und "Concealed" - Die Story von Gabe und Alexis geht weiter

Kurzbeschreibung Readers who love military bad boys are going to love this action-packed romance! A Good Girl Tempted to Sin Alexis Garcia volunteered to go to Afghanistan as a UN aid worker. But she's never been a fan of the military and wasn't prepared for the conditions she finds there. Even more disturbing is the escort who's assigned to her: the impossibly arrogant Gabe Thompson. He's all Army, and all man. Struggling to keep her cool while fending off his advances, Alexis feels the heat of the desert in more ways than one. A Bad Boy Pushed to His Limits Gabe Thompson has no use for attachments. He knows his sexy charm and cocky attitude can win him any woman he sets his eyes on until he meets Alexis, the headstrong brunette who has his pulse racing and his temper flaring. Gabe knows he'll need a new kind of weapon if he's going to bed the sexy volunteer, but every time he looks into her dark, soulful eyes, he feels a different kind of need. A War That Forces Them to Rely on Each Other When Gabe and Alexis are trapped by an ambush, they need to trust each other to make it out alive. As fear and desperation turn to respect and passion, Alexis is beginning to see she can't live without Gabe, and Gabe is discovering that love might actually be worth fighting for.
