Von Adrian McKinty : Falling Glass before purchasing it in order to gage whether or not it would be worth my time, and all praised Falling Glass:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Thrilling novel - but don't expect a Michael Forsythe story!Von EvaI had expected one more Michael Forsythe noves and was a bit disappointed that he had only a minor role, moreover one I did not like too much. He resembled too much Darkey White or Mr. Duffy from the other novels.. Apart from that this is again a thrilling story of the usual quality that we

now already expect from Adrian McKintx.

Kurzbeschreibung Killian makes a living enforcing other people's laws, collecting debts, dealing out threats and finding people who do not wish to be found. Now regular McKinty hero Michael Forsythe sets Killian up with the best paid job of his life: Richard Coulter, an Irishman with political connections, and the owner of a budget airline, is willing to pay half a million to track down his ex-wife and children. But Killian discovers the real reason Coulter's ex is running, and helps her take refuge among his people, a community of Irish Travellers, who close ranks to protect them-for a little while at least... 'McKinty is one of Britain's great contemporary crime writers and the Sean Duffy books are his masterpiece.' IAN RANKIN Pressestimmen Another winner, with pathos, insight, sardonic humour and lyrical descriptions that counterpoint the red-hot sequences to superb effect * Guardian * McKinty is a streetwise, energetic gunslinger of a writer, firing off volleys of sassy dialogue and explosive action that always delivers what it promises . . . Skilfully constructed and full throttle forwards * Irish Times * 'Adrian McKinty is one of the great storytellers writing crime fiction today.' -- Don Winslow 'When it comes to Northern Irish crime fiction, Adrian McKinty forged the path the rest of us follow.' -- Stuart Neville Kurzbeschreibung Killian makes a living enforcing other people's laws, collecting debts, dealing out threats and finding people who do not wish to be found.
