Von Cathy Maxwell : Falling in Love Again (Avon Romantic Treasure) before purchasing it in order to gage whether or not it would be worth my time, and all praised Falling in Love Again (Avon Romantic Treasure):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. Sweet

and easy-going Regency romance Von natoule2 young and unexperienced people are forced to marry. SHE decides to make the best of it. HE abandons her on the wedding night. 7 years later, she tracks her errant husband down after being evicted from her castle because of his debts. Only, he does not have any debts. So both of them, now mature, agree to stay together until they solve the debts-mystery. Charming novel with lots of humor. Much better then I originally thought.1 von 1 Kunden fanden die folgende Rezension hilfreich. Falling in love again by Cathy Maxwell Von Elaine Falling in Love Again (Avon Romantic Treasure) I always enjoy Cathy Maxwell's stories. As did I this one. It is exciting and full of drama. What I enjoyed the most was, that they could easily make each other jealous. I like it that there were characters to which the hero and heroine of the story could get jealous of. That can be very amusing to read. And to me it also shows how they react to that emotion and actually feel about each other. I loved Mallory's character, because she actually has a strong personality and she's determined. Her character is quite refreshing, for while her husband was away, she didn't let her life just revolve around him while he enjoyed himself with freedom and women. She too has developed an interest for another man, but still kept loyal to her duties as a wife. I quite enjoyed it and I'm about to read it the second time around. So it's definitely worth reading.0 von 1 Kunden fanden die folgende Rezension hilfreich. Falling in Love Again was an excellent book. Von Ein Kunde I really enjoyed the depth of the characters and felt that I knew them well by the end of the book. The plot didn't ever become "thin" and held my interest throughout the story. There was a hot magnetism between the two main characters; they couldn't stay away from one another even though Mallory did her very best to resist her husband. I enjoyed reading about the "harvest home" and felt that the author not only researched it well but wove it into the plot in a well thought out manner. Readers will fall in love with Falling in Love Again.

Kurzbeschreibung Hell hath no fury like a bride scorned! Highborn country heiress Mallory Edwards was dutifully fulfilling family obligations when she exchanged marriage vows with a dashing gentleman she barely knew. But the charming beast abandoned her on their wedding night. Years later facing prison because of her husband's debts she has finally found the blackguard, John Barron, again. And she's not leaving until the faithless rogue grants her a divorce! John is enchanted by this delightful hellion who causes a scene at his London soire. Could this be the forgotten rural miss whom his father once forced him to wed? Now that Mallory's reentered his life, John desperately wants her to stay and not merely to help him snare the criminal who is ruining them both. But winning her hardened heart will take more than sweet words and sensuous kisses she will have to become the caring, thoughtful husband who is truly worthy of her passion and her love..de At the start of every chapter in this charming Regency title are lines from English folk songs. And like these songs, the romance between Mallory Edwards and John Barron is at times quaint, humorous, ironic, touching, and heroic. Mallory's family has always owned Craige Castle, so when financial circumstances require that Mallory marry to keep the Castle in the family, she does so out of duty. Young and inexperienced, she is willing to take her mother's advice about relationships. When her new husband abandons her on their wedding night she makes peace with her new and lonely life until John's debts force Mallory and her mother out of their family home. Seven years after her wedding night, Mallory goes in search of her husband, and finds he has much more to offer than financial stability..com At the start of every chapter in this charming Regency title are lines from English folk songs.
