Von Garry Disher : Fallout (Wyatt) before purchasing it in order to gage whether or not it would be worth my time, and all praised Fallout (Wyatt):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. the Devin Wind Von Christy Belfrage The book The Devin Wind is a great book written by Garry Disher. It is set in broom in the 1946's and is about 4 friends, Hart, Alice (who are brother and sister), Jamie and Mitsy, who go through a lot with World War 2 happening and Broom getting bombed, and with close ones getting killed. The book is mainly about frindship and two friends who fall in love, and they are both from a different cultural background. I would recomend

this book to any one who likes a good book to read and enjoy reading a love story ,and with a great story line. when you start reading it you will just want to finish reading it.

Kurzbeschreibung
In this thrilling installment in Garry Disher's jewel thief series, Wyatt escapes from a boat with policewoman Liz Redding and a fortune in stolen gems, only to find himself embarking on quite a mission. While others search for sunken treasure in Bass Strait, Wyatt joins forces with his nephew, an established criminal, to engineer his trickiest robbery yet. In order to pull it off, he must plumb the depths within himself, which may well prove fatal.

Pressestimmen
"Disher continues to show an impressive knack for planning capers that go like clockwork."
Kirkus
Praise for the Wyatt series "Like an Australian Bob le Flambeur, Disher's titular robber is smooth, calm and planning a big heist."
Entertainment Weekly
There's real technique on show here.... it's so fast and hard-written that it becomes a blur, a flurry of activity that dazzles the senses.... Wyatt is a thrill-laden pleasure. I can't wait to read the others.
ABC Radio
Outstanding.... The spare, economical prose perfectly suits this tale of mad love and crimes gone wrong, which will remind many of Westlake's better Parker novels.
Publishers Weekly,
Starred
Endlessly cool, enormously competent.... a banquet for those who like it uncut and unsparing.
Kirkus s,
Starred
Brilliant.... The similarities with another fictional thief
Richard Stark's antihero Parker
are many.
Seattle Times
Disher takes us back to the golden age of thrillers, a time when they were fast, taut and dependably suspenseful.
Kirkus s
A satisfying read, with a suspenseful denouement... recommended.
Spinetingler Magazine
Praise for Garry Disher
"Colorful . . . Disher has literary talent and imagination."
Chicago Tribune
"A first-rate Australian author."
The New York Times Book "Disher creates the kind of complex, edgy, principled yet flawed characters it's a pleasure to worry about."
