This is the first Faye Kellerman book I have read. I had previously read reviews about the Peter Decker/Rina Lazarus series and was looking forward to a good read. I was, however, sorely disappointed. The first half of the book was downright boring, it finally started getting slightly interesting approximately three quarters of the way through, then all of a sudden it just ended without any resolution. The crimes were left unsolved and the murderers and thieves unpunished. I was looking forward to reading the whole series, but now I seriously doubt I would buy another of these books.

While not as masterful as the earlier books, this is still a well-crafted suspense full of surprises and insight into the life of the protagonists.

Kurzbeschreibung  
Award-winning bestseller Faye Kellerman does not disappoint in this twisted tale of intrigue and obsession the fifth thriller in her Peter Decker and Rina Lazarus crime series.  
LAPD Detective Peter Decker doesnt know quite what to make of Lilah Brecht. The beautiful, eccentric spa owner and daughter of a faded Hollywood legend, Lilah was beaten, robbed, and raped in her own home and claims to have psychic powers that enable her to see even more devastating events looming on the horizon. With his heart and mind on his pregnant young wife, Rina Lazarus, at home, Peter finds it hard to put much credence in the victims outrageous claims, or to become too deeply involved with her equally odd brothers and aging film star mom. But when Lilahs dark visions turn frighteningly real, Deckers world will be severely rocked as the false prophets secrets and obsessions entrap him . . . and point a killer toward Deckers own vulnerable family.
