Von Eileen Wilks : Proposition: Marriage (Mills Boon Vintage Desire) before purchasing it in order to gage whether or not it would be worth my time, and all praised Proposition: Marriage (Mills Boon Vintage Desire):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Eileen Wilks just keeps getting better!Von Ein KundeI never miss the lastest offering by Eileen Wilks and I'm never disappointed. I love her spirited but vulernable heroines and the flawed heroes who fall for them like a ton of bricks. Ms Wilks always manages to put a new spin on a familiar story, as in "Proposition: Marriage" when a sexy spy comes in from the cold, longing for the home and family he's never known. I know Jane and Samuel will find a place in the heart of even the most selective romance reader!

KurzbeschreibungFIANCE ON HER DOORSTEP?One memorable adventure was what pretty, practical Jane Smith had wanted. After all, her life had proved to be as ordinary as her name. But Jane never dreamed she'd end a conventional vacation almost kidnapped by rebels, then rescued by the most seductive spy she ever could have imagined.Nor did Jane expect Samuel Charmaneaux, still seductive, now an ex -spy, to show up on her doorstep and propose a marriage of convenience - just in case her holiday souvenir turned out to be his bundle of joy. She'd lost her heart to Samuel already, but could practical Jane give her hand to a mystery man who promised to make marriage a lifelong adventure?From BooklistWilks' romance is fast-paced, vivid, sensual, and explicit, and the emotional excitement never wanes. Mild-mannered Jane Smith, a high-school teacher from small-town Atherton, Kansas, goes on vacation to an island in the Caribbean and experiences much more than fun in the sun. She is saved from a group of terrorists by a James Bond^type American who, after a particularly intense hour of passion, disappears. Three weeks later, he shows up in Atherton, telling Jane he's left his former employer and wants to live in a small town, with her and with the baby she might be carrying. Jane does not completely trust Samuel to stay, although she very much wants him to, and she feels as though she doesn't have much to offer him. For his part, Samuel is a wounded soul, who doesn't even want to acknowledge his scars, and he's afraid to trust Jane with who he really is. Wilks' suspenseful love story should appeal to fans of Nora Roberts' category romances.
