Loved this so much I bought the next two too!Von Marie PalmerThe minute I finished this book I bought the next two in the series (that is all that is available at this point).Trent and Kate are great characters, well written and surrounded by an equally good support cast. They very quickly suck you in and take you on an exhausting, exhilarating, page turning

journey that makes you laugh, cry, shudder, melt, cringe and grin - a complete gift as a free download!The plot from this book is continued and completed in the next two books, with the next two couples, not one of my favourite features in a series.....but in this case it works! I loved all three books and cannot wait for the next, I am looking forward to seeing the rest of the Dark Horse team brought to their knees by love!0 von 0 Kunden fanden die folgende Rezension hilfreich. Ganz guter Start dieser neuen SerieVon missmorelliKate, ehemalige Miss, die in ihrem Herzen jedoch immer ein Cowgirl geblieben ist, hat ihren bescheuerten Mann verlassen. (Wie es mit ihm überhaupt so lange ausgehalten hat ist mir schleierhaft.....) In Ihrem alten Zuhause lernt sie Trent kennen, gut aussehend, sexy, ehem. Soldat und absolutes Alpha-Mnnchen. Um nicht zu viel zu verraten, ganz so beschaulich bleibt es nicht und bald fliegen Kugeln, denn die Bsewichte machen es der jungen Liebe nicht einfach..... Ein ganz guter Start fr diese neue Serie. Es ist nicht meine absolute Nr. 1 aber eine ganz gute Leistung und auch Leseempfehlung meinerseits.

KurzbeschreibungTrent Dawson, horse trainer and former soldier, smells trouble at a simple charity auction. His good intentions get the better of him and he bids a small fortune on a damsel in distress. It turns out there's far more than meets the eye to the former Miss Kentucky and their chemistry is off the charts. The only thing standing between Kate MacDonald and her worst nightmare is Trent Dawson and the men of Dark Horse Inc.KurzbeschreibungTrent Dawson, horse trainer and former soldier, smells trouble at a simple charity auction.
