love the dark-protectors-books Von Little Mi'm totally in love with all of the characters appearing in this series. While in every book, the main story is about another brother, the background story about the war still continues and doesn't fade. this book is about Kane - the smart brother who doesn't believe in love. So it takes some time for him to get to realise his feelings for Amber. Like in the first book, this book contains passages that made me laugh out loud. I really enjoyed Kane and Amber's discussions or conclusions. And I still craved to find out more about Janie and Zane - but guess, I need to wait for the last book. So just like with the other books, I couldn't stop reading and was sad when the book was finished. There are no silly love triangles, no made-up problems like in other YA novels or in these romance books (fifty shades / crossfire / etc). Just something to enjoy very much!! The only thing that was a bit confusing was that the Kindle edition doesn't seem to get the paragraphs / breaks right. The story just goes on with another character.. but well.. the story still was lovable.

Kurzbeschreibung A TIME FOR WAR A casualty of the war between the demons and the vampires, Jase Kayrs has been missing for six long years. His older brothers want answers but they're going to have to get them from an unlikely source. For when Kane Kayrs tracks down Amber Freebird, what he finds is a blonde, vegan pacifist who has no intention of using her skills in his war. A TIME FOR LOVE Amber enjoys her life of chaotic freedom and has no intention of falling in line just because a sexy-as-sin vampire insists on order. Unfortunately, he discovers she may be the only hope they have of finding his brother, and there's no way he's going to let her go even if it means mating her to gain her cooperation. The two are as different as can be, yet when the dominant Kane and the untamed Amber finally unite to rescue Jase, they just may find that opposites really do attract. Hot and fast from beginning to end. Kate Douglas on Fated
ber den Autor und weitere Mitwirkende Rebecca Zanetti has worked as an art curator, Senate aide, lawyer, college professor, and a hearing examiner - only to culminate it all in stories about Alpha males and the women who claim them. She is a member of RWA, has won awards for her works throughout the industry, and has a journalism degree with a poly sci emphasis from Pepperdine University as well as a Juris Doctorate from the University of Idaho. Growing up amid the glorious backdrops and winter wonderlands of the Pacific Northwest has given Rebecca fantastic scenery and adventures to weave into her stories. She resides in the wild north with her husband, children, and extended family who inspire her every day or at the very least give her plenty of characters to write about.
