Highly Recommended.Von Mark TilburyFollowing on from The Haunting of Highdown Hall, this book finds business improving for psychic Ruby Davis. She also begins to be affected by events in her past

and she quickly realises she'll need the help of her team of psychics to overcome the darkness in front of her. Shani Struthers has done a great job with this book. The characters all work brilliantly together and you get to know them all more as the plot moves along. I liked how Ruby's childhood and her relationship with her mother were at the center of the story. This is much darker than *Highdown* and the imagery created is genuinely creepy. The focus is on good vs evil, the human perception of evil, and fear. Descriptions of both the dark (evil) and light (love) are really well done, as are the character's reactions to what is happening. I felt that the use of Ruby's childhood was done well. The past and present mixed seamlessly. I thoroughly enjoyed this book. I was also pleased that Jed had decided to stay with Ruby, but would like to know why. I hope that one day, why he returned from the light will be explained. An excellent paranormal thriller. Highly Recommended. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Kurzbeschreibung From SHANI STRUTHERS, author of *THE HAUNTING OF HIGHDOWN HALL*. *Rise To Me*, the second instalment in the popular *PSYCHIC SURVEYS* series. "This isn't a ghost we're dealing with. If only it were that simple..." Eighteen years ago, when psychic Ruby Davis was a child, her mother - also a psychic - suffered a nervous breakdown. Ruby was never told why. "It won't help you to know," the only answer ever given. Fast forward to the present and Ruby is earning a living from her gift, running a high street consultancy - *Psychic Surveys* - specialising in domestic spiritual clearance. Boasting a strong track record, business is booming. Dealing with spirits has become routine but there is more to the paranormal than even Ruby can imagine. Someone - something - stalks her, terrifying but also strangely familiar. Hiding in the shadows, it is fast becoming bolder and the only way to fight it is for the past to be revealed - no matter what the danger. When you can see the light, you can see the darkness too. And sometimes the darkness can see you. ~~~The *Psychic Surveys* series: *Psychic Surveys Prequel: Eve - A Christmas Ghost Story* *Psychic Surveys Book One: The Haunting of Highdown Hall* *Psychic Surveys Book Two: Rise to Me* *Psychic Surveys Book Three: 44 Gilmore Street* *Psychic Surveys Book Four: Old Cross Cottage* *Psychic Surveys Companion Novellas* *Blakemort*
