KurzbeschreibungSynopsis:My world was dark and filled with pain.Loneliness gnawed at my soul.I found solace in a bottle.Music was my only refuge . . . until I met her.She was a dark Gothic goddess in thigh-high leather boots.She brought light into my life and showed me what it was like to be loved.But could she handle the demons that haunted me . . . and the vices that kept them at bay?This is the one everyones been waiting for. This is Damien and Alyssas story.Delve into the mind of Immortal Angels brooding, hardcore bassist with a troubled past.This book is a stand-alone, but reading books one and two in the series is suggested:The Prince of Punk Rock (Radical Rock Stars Book 1)Between A Rock and A Hard Place (Radical Rock Stars Book 2)Warning: This book is for mature audiences only.Life wasnt always good to Damien Diamond. An alcoholic, abusive mother left him to fend for himself and with little self-esteem. He turned to drugs and alcohol to mask his inner pain. If it werent for Angel Garcia, he would have perished on the streets of New York City, but it was a dark gothic goddess who gave Damien a reason to live. She wouldnt put up with his self-destructive behavior, and he needed to turn his life around in order to win back the only woman he ever loved.Alyssa never took an ounce of crap from anyone. The last thing she needed was a tattooed punk rocker with a boatload of baggage, but once Damien Diamond walked into her life, she couldnt stop thinking about the sweet and sensitive guy that hid behind the tough-as-nails exterior.Follow Damien Diamond as he prepares for the third leg of his successful World Tour with Immortal Angel, and as he reflects on his bitter past and the road that led him to be part of one of the most popular and radical punk rock bands in the nation.Excerpt:Her body stiffened rock hard for a few seconds before her hands stopped struggling under his grip. She melted into the sheets with a long sigh. It was the sigh that Damien was waiting for. He finally broke this wild filly. She surrendered to him. In that moment, he felt an energy pass between them. It connected them, and he knew that he and Alyssa were meant to be together.
