MUST READ-SIZZLING EXCITING ROMANCEVon midniteinkPUNT-A BRITISH BAD BOY FOOTBALL ROMANCE; SIZZLING ROMANTIC STORY.This story focuses on; AUDREY, a fiery-red-headed blue-eyed beauty, JACK, Audreys charismatic brother, and LIAM, a traffic stopping gorgeous lady magnet, wealthy famous egotistical

footballer from London. What you'll find in this story: a cast of remarkably impressive and engaging characters; spectacular story-line, picturesque and dynamic scene descriptions, phenomenal banter, camaraderie, action, family issues, jealousy, gripping suspense, danger, life-threatening moments, gut-wrenching moments, earth-shattering toe curling sensual romance, and a melt-your-heart conclusion leaving you wanting more. Liam is in the states to play for a new footballer team in Atlanta, and to also prove he can ditch his bad playboy antics. Jack, due to Liam's efforts is also going to play for the new team. Audrey is hired as Liam's assistant to do the work he needs done, and to keep him from getting into embarrassing headline trouble. Jack is into all kinds of dreadful trouble that could get him hurt or worse, and Liam is trying to help him on the sly. Audrey and Liam constantly argue, but she manages to keep him on the straight and narrow. When they finally get to their romantic encounters it is blissful. Audrey gets wind of the fact that Liam will be going back to London, but instead of questioning him she leaves him with a note of goodbye. The two are separated by thousands of miles when Audrey discovers a baby is on the way. Nonsensical pride keeps them apart, both miserable and wanting. WOW/SPECTACULAR fast paced well written read by a truly gifted author. The fusion of authenticity and fantasy make this story most impressive. The characters come alive with exhilarating dialogue and breathtaking scene descriptions that keep you intrigued from start to finish. The story shows how a young self-centered man finally gets in tune with his true feelings, another gets his priorities straight, and how true friendship makes you selfless. The romance between Audrey and Liam sizzles to a low passionate burn with undying devotion. You can't help but love these awesome characters. I relished this story, a most gratifying read, and can't wait for more. If you treasure fantasy romance this is a terrific book for your library. {I was gifted this book and this is my completely honest review}. In the world of fantasy romance the possibilities are endless and always fascinating. Without reservation I recommend this book.

Kurzbeschreibung Rough. Possessive. Demanding. That's world-famous footballer Liam Packham in a nutshell. He's smoking hot, cocky as all get-out, and has no boundaries when it comes to women. Innocent as she is, Audrey takes one look at Liam and knows - this guy is bad news. As his personal assistant, she's got a first-hand look at his wild, bad-boy ways. She works directly under him, so it's her job to follow him to strip clubs, sex parties, and raves, and try her best to keep him out of trouble. That includes keeping him out of her bed, no matter how hard he pursues her, or how much she wants to give in. He's in lots of trouble back in London, and Audrey knows better than to get tangled up in that mess, no matter how devilishly handsome Liam is, or how sexy he sounds when he's purring her name with that accent. She's not about to be the next in his line of conquests - but how long can a girl resist? And when she finally gives in to her desires, will Liam slip back into his bad boy ways, leaving her carrying a secret -- and his baby -- all alone? This full-length standalone romance has no cheating and no cliffhangers! PUNT is approximately 275 pages. For a limited time, a bonus paranormal novel -- sexy werewolves that will have you howling at the moon! Enjoy PUNT and get Shifter's Legacy for free! Kurzbeschreibung Rough. Possessive. Demanding.
