**Von Susan Johnson : Pure Sin** before purchasing it in order to gage whether or not it would be worth my time, and all praised Pure Sin:

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. A

Special Place in My Collection of Romance Von Tasha This is a Keeper. You can't help but fall in love with Adam. His Strength, his character, his love for his child. Let just say his anyone's ideal guy. Flora is a very modern-i'm-free-beautiful-confident- high spirited kinda of woman. Mess with me you'll get what's coming to you, this was proven when she cross sword with Adam's Wife. (ex- to- be) My special part would be their first encounter even then they had chemistry. Like all the other reviewers said this is one of Ms. Susan Johnson's where the hero actually stayed faithful. A Keeper. Get it. You won't regret it as i didn't! 1 von 1 Kunden fanden die folgende Rezension hilfreich. I Was A Little Disappointed. Von Ein Kunde I finished this book last week. It was my first book by Susan Johnson. I had heard so much about her so I thought I'd give this book a try. I chose this one even though I have others by her, because it was not part of a series. I wish I could say that I liked it as well as so many others did but I was disappointed. Oh, it had some really steamy scenes all right and I would have kept the book for those scenes alone if the h/h hadn't been so annoying. The heroine had been so independent for so long that it was second nature to her. While young she wouldn't ever take the advice of her father so he basically gave up and let her do as she pleased which was hinted at to include taking lovers. And so many people that they came in contact with did not censure her for it which was not realistic for the times. And the hero was so adoring of her and (trying to put myself in a males place) I couldn't see where her blatantly forward sexuality deserved his adoration. Realistically, he would have taken what she offered and left without looking back. Also, running true to form, she didn't take his advice either and he was almost killed trying to save her. The fact that the author made it look like she was being heroic doesn't offset the fact that if she hadn't disobeyed, he may very well have gotten away with less injury. Never the less, I will read some more books by this author and hope that I will enjoy them more. 1 von 1 Kunden fanden die folgende Rezension hilfreich. This one's got heart! Von Ein Kunde This book had a lot more heart than some of Ms. Johnson's other efforts, i.e. 'Wicked' and 'Sweet Love Survive', which were perhaps a little too contrived and obsessed with no-holds-barred sex. i was more than a little in love with the half-breed Adam Serre, and Flora Bonham came across as strong and sexy. there was more tenderness and romance in this novel than the other Susan J novels i have read, and i like the fact that Adam and Flora spent more time cherishing each other than they did fighting. Ms. Johnson sometimes goes a bit overboard with her episodes of bitter angst between the two main characters - these can get a bit tiring for the reader. the glimpses (a la 'Blaze') of Absarokee culture and lifestyle were also interesting. 'pure sin' is definitely my favourite Susan Johnson book!

Kurzbeschreibung A tale of exquisite pleasure that begins in the wilds of Montana and ends in the untamed places of two lovers hearts Lady Flora Bonham couldnt help but be tantalized by Adam Serres potent sensuality. It made no difference that shed only just met him or that he was the scandal of polite society. Flora had never lived according to anybodys rules, and the instant she felt the heat of Adams passion, the only thing that mattered was that she wanted him. Adam Serre couldnt help but be wary. Lady Flora was quite spectacular, with her daring beauty and delicious conversation, but the noble daughter of a famed archaeologist did not fall into the category of amorous interludes. And after just extricating himself from a vicious marriage, his interest in women was purely transitory. Until the incomparable Flora set out to seduce him with a temptation that was pure sin.
