**Von Jeff Mann : Purgatory: A Novel of the Civil War (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Purgatory: A Novel of the Civil War (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. ONE OF THE BEST HISTORICAL ROMANCE I'VE EVER READ!Von LenaRibkaI don't want to write a long review. No, not because this book didn't deserve it. Totally the opposite.I LOVE EVERY SINGLE MINUTE OF IT.Jeff Mann is an amazing writer. His writing and I are compatible. Even more than this. His writing makes my body react. His

writing makes my soul and damn what ever REACT.I LOVE EVERY SINGLE LINE IN THIS BOOK.A heartbreaking, emotional moving LOVE STORY, enemies-to-lovers.But it is so much more than just this.I cried. I CRIED.I can't say I know a lot about the Civil War, but as an European I had always a concrete idea that Federals were good guys and Southern were bad ones. I don't need to explain you WHY. Yes, I read Gone with the Wind, but still. This book completely turned my idea upside down. There were NO good guys and bad guys. There was POLICY, and ideas, and many young men who wanted just peace for their families and their county. Who wanted to be patriotic, because they wanted to protect people they loved. And what if a one you love doesn't belong to your PEOPLE? But who are these YOURS and THEIRS?This book, OF COURSE, is in the first place a ROMANCE, a LOVE STORY.A love story between a young soldier of the Confederacy and a captured soldier of the Union. But it is FABULOUS, FASCINATING and moving how the author managed to write about all the senselessness and STUPIDNESS of war while actually telling the story of Ian and Drew. War itself is the worst what can happen to a generation of young men. Civil wars are the worst kind of it. Brothers against brothers.And I admire how the author MADE readers to FEEL it.It is not an easy read, but OMG, that is one of the best book I read this year, and I can't recommend it highly enough.READ IT.To the next book! I can't have enough of these guys! I WANT THEM HAPPY TOGETHER, they deserve it. Me too.

KurzbeschreibungDuring the Civil War, two young soldiers on opposite sides find themselves drawn together. One is a scholarly, war-weary Southerner who has seen too much bloodshed, especially the tortures inflicted upon the enemy by his vicious commanding officer, his uncle. The other is a Herculean Yankee captured by the ragtag Confederate band and forced to become a martyr for all the sins of General Sheridans fires. When these two find themselves admiring more than one another's spirit and demeanor, when passions erupt between captor and captive, will this new romance survive the arduous trek to Purgatory Mountain?KurzbeschreibungDuring the Civil War, two young soldiers on opposite sides find themselves drawn together.
