Hilarious - Q dates Lwaxana TroiVon Ein KundeQ is back. And this time he disrupts life on the Enterprise in new proportions. He takes advantage of Lwaxana still being in the phase. And disrupts a wedding risking the outbreak of a war. Nevertheless the story is funny beyond comparison without making any of the characters seem one-dimensional.The crew of the Enterprise is really not to be envied. As always they have to wait and see how Q's scheme unfolds. Especially Picard - facing now Q and Lwaxana - has a hard time. But read it yourself to see how the whole thing ends.Don't miss it if you like the humorous side of Star Trek0 von 0 Kunden fanden die folgende Rezension hilfreich. A MUST!!!!!!Von Ein KundeThis book is hilarious. If you like books about Q you will "love" this one. In this one Q is challenging the power of love and it gets all the more interesting when Lwaxana shows up. YOU will LOVE this book it is fantastic. Lwaxana will surprise Q in the end and it has a hilarious ending. As always when Q is involved everything will be turned upside down and inside out and you will LOVE every moment of it. By the end of this book the crew will have become accustomed to seeing people out in the middle of space without any protection and when Lwaxana shows Q exactly how mad a woman can be he sure learns his lesson well, and the hard way after she cleans the ship with him as the dish towel. Anyone who reads this book will love it. I would recommend this book to everyone and I know you will enjoy it as much as I did and I've read it a couple of times myself especially the ending.0 von 0 Kunden fanden die folgende Rezension hilfreich. Incredible! Every ST:NG fan should read this book!Von Ein KundeIf there was ever any doubt that Peter David understands and writes Star Trek characters better than anyone else this is Exhibit A to prove it is true! Not only are all the characters in character, but their interactions with each other and reactions to each other ring true as well. The interaction between Lwaxana and Q is a perfect example and is absolutely priceless. This is especially true of the ending - wherein both characters are at their best. Or worst. Of course, with these two characters that's pretty much the same thing. After almost falling asleep during the dreadful Star Trek:Insurrection I only have three questions. Why don't the Powers That Be include Lwaxana Troi and Q in their next film? Why don't they have Peter David write it? Why don't they base it on this wonderful book!!?
