it! Von Ein Kunde This was one of his best. I loved the characters and I couldn't wait to find out what would happen to the woman in the bath! Some of Laymon's characters are so perverted, you just can't believe the things he comes up with. I find his books are fast paced and well-written. He isn't overly descriptive as Dean Koontz (another favourite) has become. He sticks to the point of his story throughout. I would definitely recommend this book to any Richard Laymon or horror reader fan. 1 von 1 Kunden fanden die folgende Rezension hilfreich. crazy, gross but very good Von Ein Kunde This was my first Laymon and I love it, it was a real page turner. He has got a very good style and you don't want to lay the book aside. Sometimes the book goes really gross and crazy. But the terrifying thing is, that you can follow, why people went nuts, it's very subtle. The quake comes, no cops to went anywhere they want and the rules are gone. If you like subtle horror with style and good characters, read this one! I am looking for the next one!
