Von Dave Duncan : Queen of Stars (The Starfolk Book 2) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Queen of Stars (The Starfolk Book 2) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Etwas zhlebig... Von kbrei3Whrend der erste Band der Reihe (King of Swords) durchaus noch an vielen Stellen das geniale berraschungsmoment des Gromeisters Duncan erkennen lsst, kommt dieser 2. Band doch etwas mhsam daher... es geht teilweise langatmig dahin in der Beschreibung durchaus fantasievoll erfundener Mitwirkender der Geschichte wie Hippogreife, Harpyen, Zentauren, Sphinxen etc. Gleiches gilt fr den Beschreibungsaufwand der von den Elfen

erdachten Domains oder Welten, hier hat Duncan zu viel investiert auf Kosten der Spannung. Da lohnt es sich nicht, ggfs. auf die Übersetzung zu warten, bei Duncan gibt es viel, viel Besseres...

Kurzbeschreibung While discovering the truth behind his half-human, half-elven parentage, master swordsman Rigel not only defeated the horrific monsters of the Starlands, but also thwarted Prince Vildiars dark designs to conquer the elven realms. Now, despite his fate to die an early, violent death if he remains in the Starlands, Rigel refuses to return to Earth, consumed as he is by love for the newly crowned Queen Talitha. But this passion is perilous: Vildiar has hatched multiple conspiracies to usurp the throne, and a vision has revealed that if Rigel and Talitha ever consummate their love, it will only hasten Rigel's inevitable demise. Even under a pall of doom, Rigel never hesitates to defend the land and people he has taken on as his own. As traitors plot Talitha's downfall, Rigel rescues one of Vildiars own half-breed offspring from Earth and offers her a new life in the Starlands. But will she embrace this gift without guile or is she preparing to plunge a dagger into Rigel's back?
