Von Cameron Dane : Quick to the Hunt (Hawkins Ranch Book 7) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Quick to the Hunt (Hawkins Ranch Book 7) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Zuviel Psychologie / KriegererlebnisseVon sternchenIch mag die Bcher von Cameron Dane sehr und ihre "Hawkins Ranch"-Serie hat es mir besonders angetan. Doch hier haben wir eine Gay-Folge, die nicht so meinen Geschmack getroffen hat.Hunter (der Bruder von Sarah aus dem vorherigen Buch) kehrt aus dem Krieg im Irak und Afghanistan als

gebrochener Mann heim. Sobald er sich greren Emotionen stellen muss und sei es nur ein Essen mit seiner Schwester, fngt er an sich zu ritzen und selbst zu verletzen, ansonsten hat er Angst, dass seine gewalttgige Ader hervorbricht und er die Menschen, die er mag und liebt, verletzt oder sogar ttet. Alex ist mit Sarah befreundet und baut Huser. Er ist ein unbeschwerter Mensch, der sich jedoch groe Sorgen um seinen Ziehvater Mack macht, der schwer krank ist. Als Hunter und Alex sich treffen, bemerken beide die groe (sexuelle) Anziehungskraft freinander, doch Hunter ist psychisch so "kaputt", dass er keine Beziehung fhren oder berhaupt Gefhle zulassen kann. Und so beschftigt sich ein Groteil des Buches mit Hunters Kriegserinnerungen (auch in einen Rckblenden) und dem Unterdrcken seiner gewaltttigen Neigungen. Auch Sexszenen sind natrlich so einige im Buch enthalten, doch sind sie diesmal gewaltttiger, einfach auf Grund Hunters Background. Es findet natrlich nichts ohne Einverstndnis statt, doch ging es mir trotzdem manchmal etwas zu heftig zu. Generell nimmt Hunters Psyche einen so groen Teil der Story ein, dass alles andere dabei in den Hintergrund rckt. Daher gibt es von mir nur 3 von 5 Sternen.

KurzbeschreibungGenre: LGBT Contemporary WesternSeries: Hawkins Ranch; Previous Book: Becoming ThreeWar veteran Hunter Tension returns home physically and emotionally scarred. Unable to bear feeling anything, Hunter uses pain to quiet the chaos and to keep his emotions from destroying him. Hunter dare not risk falling in love. He cant let anyone get close enough to see the violence inside him. In business and relationships, Alexander Quick is practical and rational. The first time Alex looks into Hunters eyes, he sees the damaged soul within, and adamantly tells himself not to get involved. Too many things could go haywire with a volatile man like Hunter, and Alex doesnt enter into relationships where he cannot predict the outcome. Then Alex learns his mentor is ill. The news sends him reeling. Alex suddenly sees his life isnt as perfect as he thought. An ache for something meaningful stirs in Alex, and Hunters broken soul draws him in like a beacon on the blackest night. Two men, one running like hell from love and the other opening himself to the emotion for the first time, collide. Hunter and Alex begin a darkly sexual relationship bound to explode. In the aftermath, can Alex make Hunter believe their love is powerful enough to heal his scars? Publisher's Note: This book contains explicit sexual content, graphic language, and situations that some readers may find objectionable: male/male sexual practices, self-injury, spanking.
