Von Mary Calmes : Quiet Nights (Mangrove Stories Book 2) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Quiet Nights (Mangrove Stories Book 2) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. A typical Mary Calmes storyVon QuerleserEither you like her style and ignore all the flaws or you don't, but "Quiet Nights" is one of her typical stories with:~ best friends / colleagues secretly in love since forever~ some random

epiphanies in the middle of a scene (mostly to explain the past or the character of the MC)~ some random scene where one of the guys after years of moping finally notices that the other loves him just the same (sometimes jealousy, but often just one moment where one MC "lets his guard down and stared with eyes full of love" or sth sappy like this)~ lots of people who just knew of their secret love but didn't say anything either~ the ONE love, therefore a hastily rushing towards the HEA after noticing their love~ lots of unnecessary worry and angst considering the rushed HEA, but continued rushing anyway~ overly detailed sex scenes often with one overly dominant partner (and at least one overly huge dick)~ MCs which are both the epitome of manly beauty WITHOUT noticing their own beauty~ the whole world (men and women) pining over these two handsome / pretty guys~ at least one funny, intelligent and all around gorgeous woman (as best friend or mother)~ women who simply love the less grouchy character~ nice dialogues combined with stupid dialogues~ declaring undying love without "having a moment" So yes, in spite of the flaws I enjoyed this typical short story. ;-)

Kurzbeschreibung Mangrove Stories Its a lovely little life Kelly Seaton leads. Hes got his own landscaping business, a nice little house, and his best friend, Cosimo Renaldi, and Cozs goofball family who have adopted Kelly as their own. Sure, its a little lonely at night, but its a sweet deal, and Kelly cant chance ruining it by letting on that he wants morehas always wanted morewith Coz. Then Kellys past comes to town, bringing bad memories and hurt feelings that start to break Kelly down, and Coz just doesnt understand why Kelly wont let him be the support and strength that Kellys always been for him. Theyve already been through war, Cozs devastating injury, and starting new careers in Mangrove, Florida. Why shouldnt they face their chaotic pasts and build their future of quiet nights together?
