Kundenrezensionen Hilfreichste Kundenrezensionen 1 von 1 Kunden fanden die folgende Rezension hilfreich. Pretty Intense Von Roland Martinez I picked this book up for a quick weekend read. I really do like short stories and almost all of them were suspensfull and gratifying for a quick read between meetings. My wife reads the stories over and over however I have only picked it up once. 0 von 0 Kunden fanden die folgende Rezension hilfreich. I was struck down by

these arrows Von Ashwin N. Ananthakrishnan If I had to die on a battlefield, I would rather be slain by one of Jeffrey Archer's arrows from his quiver than any thing else. Crisp short stories set all over the world from Nigeria to China to Hungary to England. These stories bring out various aspects of human emotion from professional rivalry to everlasting love. What is secret of the Ming vase? What happened in Bethlehem in 1 AD? Will the young Indian follow the footsteps of his father and score a century and get his blue? These and many more intricacies of human nature are portrayed beautifully by Archer in this collection. Read and loose yourself, let your mind wander 0 von 0 Kunden fanden die folgende Rezension hilfreich. Quiver Full of Arrows - Jeffrey Archer Von Anna Jeffrey Archer schreibt kurzweilige aber interessante Themen ber alle Dinge des Lebens, vom Teppichhandel ber Kriege bis zu Kurzkrimmis, einfach gut. Schade das es hier keine deutschen Ausgaben gibt, dann knnten auch Leser, die nicht so gut in der englischen Sprache bewandert sind, diese netten Kurzgeschichten lesen. Unsere Englischgruppe findet sie wunderbar.
