BrilliantVon Philomena(Cheekypee)I advise you read Fury before this one. Reading the novella Something's Come Up

would be a good idea too:)Ok I've just read above two named books loved them. But this one just blew them out of the water. This is the story of Phillip Stephanie. Thankfully we get to read lots more about the other band members. This is a brilliant book. The storyline flows so well I was glued from start to finish. Reading this I certainly wouldn't have guessed that two authors got together to put together this fantastic piece of work. I will certainly be looking into reading more of these brilliant authors. Received in return for an honest review.

Kurzbeschreibung Phillip Kersey finds himself and his hotheaded girlfriend, Stephanie, at a crossroads. He's the singer of the chart-topping rock band, Fury, and they're forever in the studio laying down tracks for their third album. Steph's photography career has exploded. She's always on location and out of his grasp. Tired of Skype dates and stolen weekends, Phillip makes plans to whisk her off to Ireland so he can pop the question. When Steph returns to the U.K. for the birth of their friends' baby, Phillip finally gets his chance. He's down on one knee when tragedy strikes. Aching hearts cause tempers to flair chaotically out of control. Phillip feels pushed aside and vanishes. Assumptions and accusations follow, and the public fallout between them becomes the stuff of legend. When fate brings both Fury and Stephanie to a remote Brazilian paradise, the former lovers have no choice but to face each other head on. Will their wildfire chemistry burn down the wall between them, or will the tumultuous pair simply go up in flames?
